Transgender Lives Complex Stories Complex Voices:

Transgender Lives Kirstin Cronn-Mills, 2014-08-01 I didn't hear the word transgender until I was eighteen when a person I was dating came out as trans. My boyfriend came out as my girlfriend and I thought, "What is that?" She said, "I just don't think I'm a man." And I said, "Guess what? Neither do I." And then the skies parted and I understood who I was. Katie Burgess, nonprofit director and community activist organizer. Meet Katie, Hayden Dean, Brooke David, Julia, and Natasha. Each is transgender and in this book they share their personal stories. Through their narratives you'll get to know and love each person for their humor, intelligence, perseverance, and passion. You'll learn how they each came to better understand, accept, and express their gender identities and you'll follow them through the sorrows and successes of their personal journeys. *Transgender Lives* helps you understand what it means to be transgender in America while learning more about transgender history, the broad spectrum of transgender identities, and the transition process. You'll explore the challenges transgender Americans face, including discrimination, prejudice, bullying, and violence; unequal access to medical care; and limited legal protections. For transgender readers, these stories offer support and encouragement. *Transgender Lives* is a space for trans voices to be heard and to express the complexities of gender while focusing on what it means to be human. *Original Fake*

Kirstin Cronn-Mills, 2016-04-19 In this Banksy-inspired illustrated novel, an escalating sibling rivalry train wrecks and vengeance is a street art act of war. Introvert Frankie Neumann hates his life and understandably so. He's got a weird, tutu-wearing sister, Lou, and even weirder parents, Bridget and Brett. Frank Sinatra and Dr. Frank N. Furter impersonators, respectively. And he's just the guy who makes pizza at Pizza Vendetta. Though he has secret artistic aspirations of his own, his over-the-top family makes him want to stay in the background. But Frankie's life is about to change, becoming way more interesting, even a little dangerous, but definitely cool. After his shift at the pizzeria, one night Frankie meets David and Rory, cousins and errand runners for the mysterious Uncle Epic, a legendary anonymous street artist and Frankie's absolute idol. Little could Frankie dream that his new adventures with Uncle Epic would lead to the perfect opportunity to strike back at his insufferable sister for a lifetime of torture. But things go haywire quicker than you can say street art kicks righteous ass, and the lines are suddenly blurred between art and Frankie's real life. **Transgender Profiles** Linda
