Corpus-Assisted Translation Teaching Kanglong Liu,2020-11-01 This book sheds new light on corpus assisted translation pedagogy an intersection of three distinct but cognate disciplines corpus linguistics translation and pedagogy By taking an innovative and empirical approach to translation teaching the study utilizes mixed methods including translation experiments surveys and in depth focus groups The results demonstrated the unique advantages and at the same time called attention to possible pitfalls of using corpora for translation teaching purposes This book enriches our understanding of corpus application in the setting of translation between Chinese and English two languages which are each distinctly different from one another Readers will also discover new horizons in this burgeoning and interdisciplinary field of research This book appeals to a broad readership from scholars and researchers who are interested in translation technology to widen the scope of translation studies translation trainers in search of effective teaching approaches to a growing number of cross disciplinary postgraduate students longing to improve their translation skills and competence

The Art of Teaching Spanish Rafael Salaberry,Barbara A. Lafford,2006-12-08 The Art of Teaching Spanish explores in depth the findings of research in second language acquisition SLA and other language related fields and translates those findings into practical pedagogical tools for current and future Spanish language instructors This volume addresses how theoretical frameworks affect the application of research findings to the teaching of Spanish how logistical factors affect the way research findings can be applied to teach Spanish and how findings from Spanish SLA research would be applicable to Spanish second language teaching and represented in Spanish curricula through objectives and goals as evidenced in pedagogical materials such as textbooks and computer assisted language learning software Top

SLA researchers and applied linguists lend their expertise on matters such as foreign language across curriculum programs testing online learning the incorporation of linguistic variation into the classroom heritage language learners the teaching of translation the effects of study abroad and classroom contexts on learning and other pedagogical issues Other common themes of *The Art of Teaching Spanish* include the rejection of the concept of a monolithic language competence the importance of language as social practice and cultural competence the psycholinguistic component of SLA and the need for more cross fertilization from related fields
