behaviour Deal with it Ableism works to address difficult topics children often struggle with in an accessible and engaging way The book offers strategies for change for young readers On every page the text is accompanied by graphic novel style illustrations that depict characters often not included in illustrated books Illustrator Kay Nau draws on their experience as a disabled and neurodivergent artist to bring authenticity and life to the characters and scenarios discussed within the book

Girlness Diane Peters,2017-01-01 It s hard enough being a girl on the brink of puberty without dealing with a barrage of mixed messages about femininity From self image to peer pressure consumerism to feminism girls have a lot to grapple with This volume looks at issues relating to gender identity and how girls can cope with the conflicts that arise when we question what it means to be female

White Privilege Catherine Inglis,Wang Xulin,2021-08-03 For some kids ways they can help eliminate racial injustice might be hard to see After all they are taught that people in society are all equal under the law So why then does racial conflict still exist And what can they as individuals do about it right now One way is for white children to understand the unearned advantages they were born with based solely on the colour of their skin This concept is called white privilege and this book will help children of all races understand it see how it affects them and find ways to speak out and take real action against it White Privilege Deal with it in all fairness provides scenarios quizzes and Q As that develop readers understanding of the subject using situations that are realistic and that easily relate to their everyday lives The topic is approached from three points of view those who are privileged those who identify as racialized and those who want to be allies

Guyness Steve Pitt,2017-01-01 As boys become men pressure to fit into set images of masculinity can be overwhelming And stereotypes about what makes a man a man can make the early stages of puberty the beginning of physical emotional and sexual maturity all the more confusing This volume looks at issues relating to gender identity and how boys can deal with the conflicts that arise when boys fit or do not fit the masculinity mould

Traversing Gender Lee Harrington,2016-05-01 In the current age of gender identity and transgender awareness many questions are coming to light for everyone Whether brought about by media and cultural attention or personal journeys individuals who have never heard of transgender transsexual or gender variant people can feel lost or confused Information can be hard to find and is often fragmented or biased Meanwhile trans people are getting a chance to dialogue with each other and finally be heard by the world at large In Traversing Gender Understanding Transgender Realities author Lee Harrington helps make the intimate discussions of gender available for everyone to understand Topics include What the words trans transgender mean differences and crossovers between sex gender and orientation the wide array and types of trans experiences social networking and emotional support systems for trans people navigating medical care from the common cold to gender specific procedures what transitioning looks like from a variety of different approaches how legal systems interplay with gender and trans issues extra challenges based on gender race class age and disability skills and information on being a successful trans ally Bringing these personal matters into the light of day this reader friendly resource is written for students professionals

friends and family members as well as members of the transgender community itself *Islamophobia* Safia

Saleh, 2020-10-13 Today's kids have lived their whole lives in a world where the topic of religious belief has become a serious social issue. The media and social media are full of stereotypes and misinformation about Islam in particular, and this atmosphere of fear and distrust has entered the everyday life of kids. When kids encounter conflict based on intolerance, inequity, and ignorance, they need the understanding and the tools to deal with the situation. Whether the reader is Muslim or not, *Islamophobia: Deal with it in the name of peace* provides information, relatable situations, and opportunities for kids to explore both the assumptions of their own biases and those of others. This illustrated book offers information, quizzes, comics, and real-life scenarios to help kids think critically about, avoid, and deal with Islamophobia. Considered from the viewpoints of the Believer, the Intolerant, and the Bystander, this issue is identified, examined, and put into a context kids can understand and use to navigate issues of faith-based prejudice and discrimination.
