Treasures Of Heaven Saints Relics And Devotion In Medieval Europe:

Treasures of Heaven Cleveland Museum of Art (Ohio), British museum (Londres), Walters art museum (Baltimore, Md.), 2011 Drawing on three major museum holdings as well as featuring pieces from other international collections this book looks at the phenomenon of holy relics in the Middle Ages It traces the history and development of the cult of relics from its beginnings in late Roman funerary practices to its rise in both the Byzantine East and the West *Treasures of Heaven* Martina Bagnoli, Cleveland Museum of Art, Walters Art Museum (Baltimore, Md.), British Museum, 2010 Issued in connection with an exhibition held Oct 17 2010 Jan 17 2011 the Cleveland Museum of Art Cleveland Feb 13 May 15 2011 the Walters Art Museum Baltimore and June 23 Oct 9 2011 the British Museum London **Treasures of Heaven** Martina Bagnoli, Cleveland Museum of Art, British Museum (London), Walters Art Museum (Baltimore), 2011 Keynote A magnificent study of the beautifully crafted Medieval reliquaries that enshrined holy relics and their wider historical cultural political and religious context Sales points Published in conjunction with Walters Art Museum and the Cleveland Museum of Art to accompany a major touring exhibition at the British Museum 23 June 9 October 2011 No equivalent book on this fascinating subject An important reference work drawing on the latest scholarship which will be of value far beyond the exhibition Description Drawing on three major museum holdings as well as featuring iconic pieces from other international public and private collections this richly illustrated book looks at the phenomenon of holy relics in the Middle Ages Thematic essays and object entries by leading scholars trace the history and development of the cult of relics from its beginnings in late Roman funerary practices to its rise in both the Byzantine East and the West Contributors Derek Krueger Eric Palazzo Arnoldt Angenendt Martina Bagnoli Holger A Klein Barbara Boehm Guido Cornini Cynthia Hahn James Robinson Alexander Nagel C Griffith Mann *Treasures of Heaven: Saints, Relics, and Devotion in Medieval Europe*, 2011 The Virtual Liturgy and Ritual Artifacts in Medieval and Early Modern Studies Katharine Scherff, 2023-03-03 Examining the history of altar decorations this study of the visual liturgy grapples with many of the previous theoretical frameworks to reveal the evolution and function of these ritual objects Using an interdisciplinary approach this book uses traditional art historical methodologies and media technology theory to reexamine ritual objects Previous analysis has not considered the in between nature of these objects as deliberate and virtual conduits to the divine The liturgy the altarpiece the altar environment relics and their reliquaries are media In a series of case studies several objects tell a different story about culture and society in medieval Europe In essence they reveal that media and media technologies generate and modulate the individual and collective structure of feelings of sacredness among assemblages of humans and nonhumans The book will be of interest to scholars working in art history medieval studies early modern studies and architectural history **Sensational Religion** Sally Promey, 2014-06-24 The result of a collaborative multiyear project this groundbreaking book explores the interpretive worlds that inform religious practice and derive from sensory phenomena Under the rubric of making sense the studies assembled

here ask How have people used and valued sensory data How have they shaped their material and immaterial worlds to encourage or discourage certain kinds or patterns of sensory experience How have they framed the sensual capacities of images and objects to license a range of behaviors including iconoclasm censorship and accusations of blasphemy or sacrilege Exposing the dematerialization of religion embedded in secularization theory editor Sally Promey proposes a fundamental reorientation in understanding the personal social political and cultural work accomplished in religion s sensory and material practice Sensational Religion refocuses scholarly attention on the robust material entanglements often discounted by modernity s metaphysic and on their inextricable connections to human bodies behaviors affects and beliefs

Cult of the Dead Kyle Smith,2024-10 A cultural history of how Christianity was born from its martyrs Though it promises eternal life Christianity was forged in death Christianity is built upon the legacies of the apostles and martyrs who chose to die rather than renounce the name of their lord In this innovative cultural history Kyle Smith shows how a devotion to death has shaped Christianity for two thousand years For centuries Christians have cared for their saints curating their deaths as examples of holiness Martyrs stories lurid legends of torture have been told and retold translated and rewritten Martyrs bones are alive in the world relics pulsing with wonder Martyrs shrines are still visited by pilgrims many in search of a miracle Martyrs have even shaped the Christian conception of time with each day of the year celebrating the death of a saint From Roman antiquity to the present by way of medieval England and the Protestant Reformation Cult of the Dead tells the fascinating story of how the world s most widespread religion is steeped in the memory of its martyrs **Relics,**

Shrines and Pilgrimages Antón M. Pazos,2020-03-04 Since Late Antiquity relics have provided a privileged spiritual bond between life and death between human beings and divinity Royalty nobility and clergy all tried to obtain the most prestigious remains of sacred bodies since they granted influence and fame and allowed the cult around them to be used as a means of sacralization power and propaganda This volume traces the development of the veneration of relics in Europe and how these objects were often catalysts for the establishment of major pilgrimage sites that are still in use today The book features an international panel of contributors taking a wide ranging look at relic worship across Europe from Late Antiquity until the present day They begin with a focus on the role of relics in Jacobean pilgrimage before looking at the link between relics and their shrines more generally The book then focuses in on two major issues in the study of relics the stealing of relics Furta Sacra and their modern day scientific examination and authentication These topics demonstrate not only symbolic importance of relics but also their role as physical historical objects in material religious expression This is a fascinating collection featuring the latest scholarship on relics and pilgrimage across Europe It will therefore be of great interest to academics working in Pilgrimage Religious History Material Religion and Religious Studies as well as Anthropology Archaeology Art and Cultural Studies **Introduction to Medieval Europe 300-1500** Wim Blockmans,Peter

Hoppenbrouwers,2014-02-03 Introduction to Medieval Europe 300 1500 provides a comprehensive survey of this complex

and varied formative period of European history Covering themes as diverse as barbarian migrations the impact of Christianization the formation of nations and states the emergence of an expansionist commercial economy the growth of cities the Crusades the effects of plague and the intellectual and cultural life of the Middle Ages the book explores the driving forces behind the formation of medieval society and the directions in which it developed and changed In doing this the authors cover a wide geographic expanse including Western interactions with the Byzantine Empire and the Islamic World Now in full colour this second edition contains a wealth of new features that help to bring this fascinating era to life including A detailed timeline of the period putting key events into context Primary source case boxes Full colour illustrations throughout New improved maps A glossary of terms Annotated suggestions for further reading The book is supported by a free companion website with resources including for instructors assignable discussion questions and all of the images and maps in the book available to download and for students a comparative interactive timeline of the period and links to useful websites The website can be found at www.routledge.com/cw/blockmans Clear and stimulating the second edition of *Introduction to Medieval Europe* is the ideal companion to studying Europe in the Middle Ages at undergraduate level

New Approaches to the Archive in the Middle Ages Emily N. Savage, 2024-03-25 This volume brings together scholars of history manuscript studies and art and architectural history to examine in conversation the varieties of medieval archival acts the heterogeneity of collections and the motivations of collectors It is united by the historically flexible concept of the archive and contributors examine material from Seville to Prague from the early Christian period through the Reformation Premodern collections and archival practices are increasingly becoming the subject of academic inquiry Chapter authors investigate how institutional communal and familial identity accrued to material culture including illuminated manuscripts ecclesiastic vestments ancient sarcophagi and reliquaries Others examine the social impulses behind the documentation of such collections namely through the creation of inventories but also in the production management and use of parchment records including cartularies estate records and legal documents Finally contributors question how medieval people evaluated historical age and outmoded artistic styles shaped and promoted collective memory through preservation display and ritual and attached value both monetary and symbolic to their collections The volume is cross disciplinary and will appeal to a variety of readers both in and out of academia Curators librarians and archivists working with medieval collections will find it valuable as will heritage professionals and charities involved in the care of properties which presently or formerly contained medieval treasures libraries and archives
