The Spirit of Peace Mary Grey, 2015-01-15 This book examines in the midst of increasing violence in the Middle East how the Holy Spirit is leading people of all religions into a new future and how God's outpouring Spirit must be considered to be the power of resistance to evil

The Role of Religion in Peacebuilding Pauline Kollontai, Sue Yore, Sebastian Kim, 2017-12-14 The question who is my neighbour challenges the way we see ourselves as well as the way we see others Especially in situations where we feel conflicted between our own self identity and common identity within a wider society Historically religion has contributed to this inner conflict by creating us versus them mentalities

Challenging this traditional view this volume examines how religions and religious communities can use their resources methodology and praxis to encourage peace making The book is divided into two parts the first includes sources theories and methodologies of crossing boundaries of prejudice and distrust from the perspectives of theology and religious studies The second includes case studies of theory and practice to challenge prejudice and distrust in a conflict or post conflict situation The chapters are written by scholars religious leaders and faith motivated peace practitioners from various global contexts to create a diverse academic study of religious peace building

Alive in God Timothy Radcliffe, 2019-10-03 How can Christianity touch the imagination of our contemporaries when ever fewer people in the West identify as religious Timothy Radcliffe argues we must show how everything we believe is an invitation to live fully God says I put before you life and death choose life Anyone who understands the beauty and messiness of human life novelists poets filmmakers and so on can be our allies whether they believe or not The challenge is not today's secularism but its banality We accompany the disciples as they struggle to understand this strange man who heals casts out demons and offers endless forgiveness In the face of death he teaches them what it means to be alive in God Then he embraces all that afflicts and crushes humanity Finally Radcliffe explores what it means for us to be alive spiritually physically sacramentally justly and prayerfully The result is a compelling new understanding of the words of Jesus I came that they may have life and have it abundantly

Parks,2013-05-09 Is there

a peace accord to come that will permanently stabilize the continually contentious region of the Middle East There have been peace pacts in the past similar to the Camp David agreement that have miserably failed It seems that whatever is devised by the good intentioned they never seem to work So new devices are planned and implemented only to have turmoil arise and that pact abandoned Some dispensationalists purport that it will take a physical coming of Jesus to settle the tensions Is this in fact the plan of God for the planet The validity of the Bible is continually verified by external and internal substantiation The external verification is seen by the continued discovery of artifacts and hieroglyphics Internal verification continues through fulfilled prophecies So unless one is completely blinded by disdain for continued enlightenment the Bible portrays truth without a doubt Sad to say but untruth is also extracted from the Bible due to the traditions of men interpretation errors words and phrases taken out of context and primarily the lack of Holy Spirit guidance This malaise was also prominent during the days of Jesus His Israeli contemporaries did not understand that the scriptures were about Him and not them They did not understand the scriptures or the power of God although they would tote and could quote the scriptures In fact a peace agreement was commissioned two thousand years ago that if ratified by all factions will bring permanent peace to the entire world including the Middle East In this work G L Parks discusses that peace accord by interpretation of the scriptures in a manner that is not presently held by the majority just as in Jesus s day but if embraced will permanently provide peace for the Middle East and stabilize every nook and cranny of the planet [Is Peace Possible?](#) Justice and Peace Commission,2020-08-15 Is Peace Possible provides a valuable resource for pilgrims pilgrimage leaders tourists and any seeking to better understand the Christian perspective and experience of those living in the Land where Jesus was born died and was resurrected It contains the findings of the Commission for Justice and Peace which functions under the direction of the Assembly of Catholic Ordinaries of the Holy Land The Assembly was established to foster unity within the Church and serves as a Catholic resource to further the social mission of the Church It is composed of the Catholic Ordinaries of the various Rites who have jurisdiction over the territory of the Holy Land The mandate of the Commission includes a Monitoring the political social and economic situation in the Holy Land and the Middle East with special attention to human rights and a focus on issues connected to occupation discrimination and inequality b Monitoring the situation of Christians in the Holy Land with special attention to the social political economic and cultural challenges Christians face in the Holy Land and throughout the region A special focus is the relations between Christians and Muslims Christians and Jews and Christians and other religious minorities in the Holy Land and throughout the Middle East Is Peace Possible is a compilation of the Commission s reports and seeks to share their findings Our hope is that better understanding can lead to peace
