The Story of Joseph in Spanish Golden Age Drama Michael D. McGaha, 1998 This book includes critical studies and English translations of six different dramatic versions of the biblical story of Joseph and his brothers written during the century and a half from about 1535 to 1685 that is from the earliest attempts at full length drama to the end of the classical period which is usually dated around the year of Calderon de la Barca's death in 1681 Three of the plays are full length dramas while the rest belong to the peculiarly Spanish genre of one act religious plays known as autos sacramentales Comparison of these six variations on a theme enhances our understanding of the gradual evolution of both the auto and the comedia full length genres during the Golden Age In addition to the biblical story Spanish

playwrights drew upon a rich tradition of retellings of the Joseph story written during the Middle Ages by Muslim Jewish and Christian Spaniards Each of these ethnic and religious groups developed new interpretations of the story dictated by the historical circumstances of a particular time and place yet each was influenced by the versions created by the others Ultimately this grudging collaboration produced a uniquely multicultural version of the story *CliffsAP Spanish Language* Gisela Bencomo,2005-01-05 CliffsAP study guides help you gain an edge on Advanced Placement exams Review exercises realistic practice exams and effective test taking strategies are the key to calmer nerves and higher AP scores CliffsAP Spanish Language is for students who are enrolled in AP Spanish or who are preparing for the Advanced Placement Examination in Spanish to earn college credit and or placement into advanced coursework at the college level Inside you ll find test taking strategies a clear explanation of the exam format a look at how exams are graded and more A topic by topic look at what s on the exam A diagnostic test CD included so you ll actually hear the dialogue you ll be tested on Three full length practice tests Answers to frequently asked questions about the exam Sample questions and answers and practice tests reinforce what you ve learned in areas such as understanding oral Spanish using your Spanish vocabulary diagramming the language s structure and comprehending written material CliffsAP Spanish Language also includes information on the following The gender of nouns Verbal tenses Regional idiomatic expressions Verb usage and conjugation Spelling and punctuation rules Speaking Spanish in specific situations This comprehensive guide offers a thorough review of key concepts and detailed answer explanations It s all you need to do your best and get the college credits you deserve Advanced Placement Program and AP are registered trademarks of the College Board which was not involved in the production of and does not endorse this product Note CD ROM DVD and other supplementary materials are not included as part of eBook file
