AMERICA

JEFFREY ROSEN

The Supreme Court The Personalities And Rivalries That Defined America

A.J. Jacobs

The Supreme Court The Personalities And Rivalries That Defined America:

The Supreme Court Jeffrey Rosen, 2024-09-04 This illuminating look at the human side of the highest court reveals how personal and philosophical rivalries have shaped our daily lives Kirkus The Supreme Court is the most mysterious branch of government Yet behind its facade of absolute impartiality are the human personalities who decide its rulings very bright people with very strong egos for whom legal conflicts often become personal In this incisive volume Jeffrey Rosen provides a character driven history of the Court revealing how the individual quirks and attitudes of justices have transformed the law and by extension our lives Chief Justice John Marshall and President Thomas Jefferson cousins from the Virginia elite set the tone for the Court s first hundred years with their differing visions of America After the Civil War Justices John Marshall Harlan and Oliver Wendell Holmes clashed over the limits of majority rule During the Warren Court personality loomed larger than ideology for liberal icons Hugo Black and William O Douglas And the contemporary Court was in many ways defined by the clashes between conservatives William H Rehnquist and Antonin Scalia Through these four rivalries Rosen brings to life the perennial conflict that has animated the Court between those justices guided by strong ideology and those who forge coalitions and adjust to new realities He illuminates the relationship between judicial temperament and judicial success or failure

The Supreme Court Justices: Illustrated Biographies Clare Cushman, 2013 Book Description The Supreme Court Justices Illustrated Biographies 1789 2012 Third Edition provides a single volume reference profiling every Supreme Court justice from John Jay through Elena Kagan An original essay on each justice paints a vivid picture of his or her individuality as shaped by family education pre Court career and the times in which he or she lived Each biographical essay also presents the major issues on which the justice presided Essays are arranged in the order of the justices appointments Lively anecdotes along with portraits photographs and political cartoons enrich the text and deepen readers understanding of the justices and of the Court The volume includes an extensive bibliography and is indexed for easy research access New in this edition are a foreword by Chief Justice John G Roberts a revised essay on Chief Justice William H Rehnquist updated essays on sitting or recently retired members of the court new biographies for Chief Justice John G Roberts and Associate Justices Samuel A Alito Elena Kagan and Sonia M Sotomayor an updated listing of members of the Supreme Court with appointment and confirmation dates and an updated bibliography with key sources on the Supreme Court and the justices For insightful background and lively commentary on the individuals who have served on the Supreme Court of the United States there is no better reference than this updated new volume This is a vital reference work for researchers students and others interested in the Supreme Court s past present and future

The Supreme Court Compendium Lee Epstein, Jeffrey A. Segal, Harold J. Spaeth, Thomas G. Walker, 2015-07-29 The Supreme Court Compendium provides historical and statistical information on the Supreme Court its institutional development caseload decision trends the background nomination and voting behavior of its justices its relationship with public governmental and other judicial

bodies and its impact With over 180 tables and figures this new edition is intended to capture the full retrospective picture through the 2013 2014 term of the Roberts Court and the momentous decisions handed down within the last four years including *United States v Windsor* *National Federation of Independent Business v Sebelius* and *Shelby County v Holder*

Historical Dictionary of the U.S. Supreme Court Artemus Ward, Christopher Brough, Robert Arnold, 2015-08-13 The US Supreme Court is an institution that operates almost totally behind closed doors This book opens those doors by providing a comprehensive look at the justices procedures cases and issues over the institution s more than 200 year history The Court is a legal institution born from a highly politicized process Modern justices time their departures to coincide with favorable administrations and the confirmation process has become a highly charged political spectacle played out on television and in the national press Throughout its history the Court has been at the center of the most important issues facing the nation federalism separation of powers war slavery civil rights and civil liberties Through it all the Court has generally though not always reflected the broad views of the American people as the justices decide the most vexing issues of the day The *Historical Dictionary of the U S Supreme Court* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on every justice major case issue and process that comprises the Court s work This book is an excellent access point for students researchers and anyone wanting to know more about the Supreme Court *Concurring Opinion Writing on the U.S. Supreme Court* Pamela C.

Corley, 2010-03-24 When justices write or join a concurring opinion they demonstrate their preferences over substantive legal rules Concurrences provide a way for justices to express their views about the law to engage in a dialogue of law with each other the legal community the public and Congress This important study is the first systematic examination of the content of Supreme Court concurrences While previous work on Supreme Court decision making focuses solely on the outcome of cases Pamela C Corley tackles the content of Supreme Court concurring opinions to show the reasoning behind each justice s decision Using both qualitative and quantitative methods of analysis *Concurring Opinion Writing on the U S Supreme Court* offers a rich and detailed portrait of judicial decision making by studying the process of opinion writing and the formation of legal doctrine through the unique lens of concurrences Pamela C Corley is Assistant Professor of Political Science at Vanderbilt University

Business and the Roberts Court Jonathan H. Adler, 2016 Is the Roberts Court pro business If so what does this mean for the law and the American people *Business and the Roberts Court* provides the first critical analysis of the Court s business related jurisprudence combining a series of empirical and doctrinal analyses of how the Roberts Court has treated business and business law *Scalia's Court* Antonin Scalia, 2016-04-04 The passing of this brilliant jurist is a great loss but his writings with their plain language and constitutional moorings will guide generations to come Speaker of the House Paul Ryan The sudden passing of Justice Antonin Scalia shook America After almost thirty years on the Supreme Court Scalia had become as integral to the institution as the hallowed room in which he sat His wisecracking interruptions

during oral arguments his unmatched legal wisdom his unwavering dedication to the Constitution and his blistering dissents defined his leadership role on the court and inspired new generations of policymakers and legal minds Now as Republicans and Democrats wage war over Scalia's lamentably empty Supreme Court seat Kevin Ring former counsel to the U S Senate's Constitution Subcommittee has taken a close look at the cases that best illustrate Scalia's character philosophy and legacy In Scalia's Court A Legacy of Landmark Opinions and Dissents Ring collects Scalia's most memorable opinions on free speech separation of powers race religious freedom the rights of the accused abortion and more and intersperses Scalia's own words with an analysis of his legal reasoning and his lasting impact on American jurisprudence I don't worry about my legacy Scalia once told an audience at the National Archives Just do your job right and who cares Now that the lion of American law has left the stage as the U S Attorney General put it it is for the rest of America to worry about his legacy and to care

The Year of Living Constitutionally A.J. Jacobs, 2024-05-07 The New York Times bestselling author of The Year of Living Biblically chronicles his hilarious adventures in attempting to follow the original meaning of the Constitution as he searches for answers to one of the most pressing issues of our time How should we interpret America's foundational document I don't know how I learned so much while laughing so hard Andy Borowitz A J Jacobs learned the hard way that donning a tricorne hat and marching around Manhattan with a 1700s musket will earn you a lot of strange looks In the wake of several controversial rulings by the Supreme Court and the on going debate about how the Constitution should be interpreted Jacobs set out to understand what it means to live by the Constitution In The Year of Living Constitutionally A J Jacobs tries to get inside the minds of the Founding Fathers by living as closely as possible to the original meaning of the Constitution He asserts his right to free speech by writing his opinions on parchment with a quill and handing them out to strangers in Times Square He consents to quartering a soldier as is his Third Amendment right He turns his home into a traditional 1790s household by lighting candles instead of using electricity boiling mutton and because women were not allowed to sign contracts feebly attempting to take over his wife's day job which involves a lot of contract negotiations The book blends unforgettable adventures delivering a handwritten petition to Congress applying for a Letter of Marque to become a legal pirate for the government and battling redcoats as part of a Revolutionary War reenactment group with dozens of interviews from constitutional experts from both sides Jacobs dives deep into originalism and living constitutionalism the two rival ways of interpreting the document Much like he did with the Bible in The Year of Living Biblically Jacobs provides a crash course on our Constitution as he experiences the benefits and perils of living like it's the 1790s He relishes for instance the slow thinking of the era free from social media alerts But also discovers the progress we've made since 1789 when married women couldn't own property Now more than ever Americans need to understand the meaning and value of the Constitution As politicians and Supreme Court Justices wage a high stakes battle over how literally we should interpret the Constitution A J Jacobs provides an entertaining yet illuminating look into how this storied document fits into our democracy today **John**

Marshall Robert Strauss,2021-03-01 Eighteenth and 19th century contemporaries believed Marshall to be if not the equal of George Washington and Benjamin Franklin at least very close to that pantheon John Marshall The Final Founder demonstrates that not only can Marshall be considered one of those Founding Fathers but that what he did as the Chief Justice was not just significant but the glue that held the union together after the original founding days The Supreme Court met in the basement of the new Capitol building in Washington when Marshall took over which is just about what the executive and legislative branches thought of the judiciary John Marshall The Final Founder advocates a change in the view of when the founding of the United States ended That has long been thought of in one or the other of the signing of the Constitution the acceptance of the Bill of Rights or the beginning of the Washington presidency The Final Founder pushes that forward to the peaceful change of power from Federalist to Democrat Republican and especially Marshall s singular achievement to move the Court from the basement and truly make it Supreme Justice Scalia Brian G. Slocum,Francis J. Mootz III,2019-03-06 Justice Antonin Scalia 1936 2016 was the single most important figure in the emergence of the new originalist interpretation of the US Constitution which sought to anchor the court s interpretation of the Constitution to the ordinary meaning of the words at the time of drafting For Scalia the meaning of constitutional provisions and statutes was rigidly fixed by their original meanings with little concern for extratextual considerations While some lauded his uncompromising principles others argued that such a rigid view of the Constitution both denies and attempts to limit the discretion of judges in ways that damage and distort our system of law In this edited collection leading scholars from law political science philosophy rhetoric and linguistics look at the ways Scalia framed and stated his arguments Focusing on rhetorical strategies rather than the logic or validity of Scalia s legal arguments the contributors collectively reveal that Scalia enacted his rigidly conservative vision of the law through his rhetorical framing *Hollywood's Copyright Wars* Peter Decherney,2013-09-01 Beginning with Thomas Edison s aggressive copyright disputes and concluding with recent lawsuits against YouTube *Hollywood s Copyright Wars* follows the struggle of the film television and digital media industries to influence and adapt to copyright law Though much of Hollywood s engagement with the law occurs offstage in the larger theater of copyright many of Hollywood s most valued treasures from *Modern Times* 1936 to *Star Wars* 1977 cannot be fully understood without appreciating their legal controversies Peter Decherney shows that the history of intellectual property in Hollywood has not always mirrored the evolution of the law and recounts these extralegal solutions and their impact on American media and culture *Rethinking the Rhetorical Presidency* Jeffrey Friedman,Shterna Friedman,2013-09-13 In *The Rhetorical Presidency* Jeffrey Tulis argues that the president s relationship to the public has changed dramatically since the Constitution was enacted while previously the president avoided any discussions of public policy so as to avoid demagoguery the president is now expected to go directly to the public using all the tools of rhetoric to influence public policy This has effectively created a second Constitution that has been layered over and in part contradicts the original one In our volume

scholars from different subfields of political science extend Tulis's perspective to the judiciary and Congress locate the origins of the constitutional change in the Progressive Era highlight the role of Theodore Roosevelt Woodrow Wilson and the mass media in transforming the presidency discuss the nature of demagoguery and whether in fact rhetoric is undesirable and relate the rhetorical presidency to the public's ignorance of the workings of a government more complex than the Founders imagined This book was originally published as a special issue of Critical Review A Journal of Politics and Society

Prison Privatization Byron Eugene Price, John Charles Morris, 2012-09-20 This book examines the current state of both the theory and practice of prison privatization in the United States in the 21st century providing a balanced compendium of research that allows readers to draw their own conclusions about this controversial subject This three volume set brings together noted scholars and experts in the field to provide a comprehensive treatment of the subject of privatized prisons in the United States It is a definitive work on the topic that synthesizes current thought on both the theory and practice of prison privatization Volume I provides a broad brush overview of private prisons that discusses the history of prison privatization and examines the expansion of the private prison industry and the growth of inmate populations in the United States Volume II focuses on the corrections industry itself providing essays that explore the business models profit motivations economic factors and operations of the corporations that offer corrections services while Volume III explores the political and social environment of prison privatization Academics practitioners policy makers and advocates for and against private prisons will find this work useful and enlightening while general readers can use the unbiased information to draw their own conclusions in respect to the merits of prison privatization

Scalia Bruce Allen Murphy, 2015-06-30 A deeply researched portrait of the controversial Supreme Court justice covers his career achievements his appointment in 1986 and his resolve to support agendas from an ethical rather than political perspective

Ruth Bader Ginsburg Jane Sherron de Hart, 2020-04-28 NATIONAL BESTSELLER A vivid account of a remarkable life The Washington Post In this comprehensive revelatory biography fifteen years of interviews and research in the making historian Jane Sherron De Hart explores the central experiences that crucially shaped Ginsburg's passion for justice her advocacy for gender equality and her meticulous jurisprudence At the heart of her story and abiding beliefs is her Jewish background specifically the concept of tikkun olam the Hebrew injunction to repair the world with its profound meaning for a young girl who grew up during the Holocaust and World War II Ruth's journey begins with her mother who died tragically young but whose intellect inspired her daughter's feminism It stretches from Ruth's days as a baton twirler at Brooklyn's James Madison High School to Cornell University to Harvard and Columbia Law Schools to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job to becoming the director of the ACLU's Women's Rights Project and arguing momentous anti sex discrimination cases before the U S Supreme Court All this even before being nominated in 1993 to become the second woman on the Court where her crucial decisions and dissents are still making

history Intimately personably told this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence American society and our American character and spirit will reverberate deep into the twenty first century and beyond REVISED AND UPDATED WITH A NEW AFTERWORD **Abuse of Discretion** Clarke D. Forsythe,2013-09-24 Based on 20 years of research including an examination of the papers of eight of the nine Justices who voted in Roe v Wade and Doe v Bolton Abuse of Discretion is a critical review of the behind the scenes deliberations that went into the Supreme Court s abortion decisions and how the mistakes made by the Justices in 1971 1973 have led to the turmoil we see today in legislation politics and public health The first half of the book looks at the mistakes made by the Justices based on the case files the oral arguments and the Justices papers The second half of the book critically examines the unintended consequences of the abortion decisions in law politics and women s health Why do the abortion decisions remain so controversial after almost 40 years despite more than 50 000 000 abortions numerous presidential elections and a complete turnover in the Justices Why did such a sweeping decision with such important consequences for public health producing such prolonged political turmoil come from the Supreme Court in 1973 Answering those questions is the aim of this book The controversy over the abortion decisions has hardly subsided and the reasons why are to be found in the Justices deliberations in 1971 1972 that resulted in the unprecedented decision they issued Discuss Abuse of Discretion on Twitter using hashtag AbuseOfDiscretion American Crusade Andrew L Seidel,2022-09-27 Is a fight against equality and for privilege a fight for religious supremacy Andrew L Seidel a constitutional attorney and author of the critically acclaimed book The Founding Myth Why Christian Nationalism Is Un American dives into the debate on religious liberty the modern attempt to weaponize religious freedom and the Supreme Court s role in that crusade Seidel examines some of the key Supreme Court cases of the last thirty years including Masterpiece Cakeshop v Colorado Civil Rights Commission a bakery that refused to make a wedding cake for a gay couple Trump v Hawaii the anti Muslim travel ban case American Legion v American Humanist Association related to a group maintaining a 40 foot Christian cross on government owned land and Tandon v Newsom a Santa Clara Bible group exempted from Covid health restrictions as well as the recent overturning of Roe v Wade and how a hallowed legal protection freedom of religion has been turned into a tool to advance privilege and impose religion on others This is a meticulously researched and deeply insightful account of our political landscape with a foreword provided by noted constitutional scholar Erwin Chemerinsky author of The Case Against the Supreme Court The issue of church versus state is more relevant than ever in today s political climate and with the conservative majority status of the current Supreme Court This book is a standout on the shelf for fans of Michelle Alexander Bob Woodward and Christopher Hitchens Readers looking for critiques of the rise of Christian nationalism like Jesus and John Wayne and examinations like How Democracies Die will devour Seidel s analysis Hardcover with dust jacket 320 pages 9 in H by 6 in W

Law and Society Matthew Lippman,2020-08-07 Law and Society Third Edition offers a contemporary overview of the

structure and function of legal institutions along with a lively discussion of both criminal and civil law and their impact on society Unlike other books on law and society Matthew Lippman takes an interdisciplinary approach that highlights the relevance of the law throughout our society Distinctive coverage of diversity inequality civil liberties and globalism is intertwined through an organized theme in a strong narrative The highly anticipated Third Edition of this practical and invigorating text introduces students to both the influence of law on society and the influence of society on the law Discussions of the pressing issues facing today s society include key topics such as the law and inequality international human rights privacy and surveillance and law and social control
