Transformational Sales Making A Difference With Strategic Customers:

Transformational Sales Philip Kotler, Marian Dingena, Waldemar Pfoertsch, 2015-09-11 Inspired by a new transformative era in human and business relations this book provides a unique perspective on the business transformation that results from the collaboration between suppliers and their strategic customers. It is all about guiding organizational change and business transformation starting with sales itself. Companies choosing this approach can make a significant and meaningful difference with strategic customers moving beyond the competition. By challenging existing business assumptions and creating new perspectives on the marketplace, organizations can increase value across traditional company borders, making the business world a better place in the process. Both thought provoking and practical, this management book integrates academic insights, real life examples, and best practices of business transformation. It is a must read for business leaders aiming to make a difference. Integrating with your strategic customers beyond a transactional sales relationship is key for shaping new markets, developing your brand, and leveraging your strategic relationships. If sales and profitability with strategic accounts are to grow beyond the average, a change in mindset from seeing sales as an outside to an inside job is required to truly create a win-win relationship. Kotler, Dingena, Pfoertsch's *Transformational Sales* provides hands-on insights and tools needed for companies who truly want to achieve this transformation. Marc Hantscher, CEO and President Asia Pacific BSH Home Appliances Pte Ltd, Singapore. The more profoundly and systematically B2B companies familiarize themselves with and accommodate their customers' functional, emotional, and strategic needs, the more powerful they are on the market. Top brands are professionally and passionately tuned in to their customers. Sales, Project Management, Marketing, R & D, Production, and Purchasing work in concert to drive customer success, always with an eye to the future. This book presents illustrative cases highlighting how champions have scaled up their business. Achim Kuehn, CMO, Herrenknecht AG, Schwanau, Germany. [Managing Customer Experiences in an Omnichannel World](#) Taşkın Dirsehan, 2020-11-26. *Managing Customer Experiences in an Omnichannel World* explores how organizations integrating both the physical and virtual environments for consumers will enable them to effectively manage the customer experience. **Managing Customer Experience and Relationships** Don Peppers, Martha Rogers, 2016-10-25. Boost profits, margins, and customer loyalty with more effective CRM strategy. *Managing Customer Experience and Relationships*, Third Edition, positions the customer as central to long-term strategy and provides essential guidance toward optimizing that relationship for the long haul. By gaining a deep understanding of this critical dynamic, you'll become better able to build and manage the customer base that drives revenue and generates higher margins. A practical framework for implementing the IDIC model merges theory, case studies, and strategic analysis to provide a ready blueprint for execution and in-depth discussion of communication metrics, analytics, and more, allows you to optimize the relationship on both sides of the table. This new third edition includes updated examples, case studies, and references alongside insightful contributions from global industry leaders to give you a well-rounded

broadly applicable knowledge base and a more effective CRM strategy Ancillary materials include a sample syllabus PowerPoints chapter questions and a test bank facilitating use in any classroom or training session The increased reliance on customer relationship management has revealed a strong need for knowledgeable practitioners who can deploy effective initiatives This book provides a robust foundation in CRM principles and practices to help any business achieve higher customer satisfaction Understand the fundamental principles of the customer relationship Implement the IDIC model to improve CRM ROI Identify essential metrics for CRM evaluation and optimization Increase customer loyalty to drive profits and boost margins Sustainable success comes from the customer If your company is to meet performance and profitability goals effective customer relationship management is the biggest weapon in your arsenal but it must be used appropriately Managing Customer Experience and Relationships Third Edition provides the information practical framework and expert insight you need to implement winning CRM strategy
