Transnational Sport Gender Media And Global Korea:

Transnational Sport Rachael Miyung Joo, 2012-02-06 Anthropologist Rachael Joo explores the gendered and mediated role of sports in producing a Korean sense of self on a global stage

Asian American Athletes in Sport and Society C. Richard King, 2014-10-24 For more than a century sporting spectacles media coverage and popular audiences have staged athletics in black and white Commercial media and academic accounts have routinely erased excluded ignored and otherwise made absent the Asian American presence in sport This book seeks to redress this pattern of neglect presenting a comprehensive perspective on the history and significance of Asian American athletes coaches and teams in North America The contributors interrogate the sociocultural contexts in which Asian Americans lived and played detailing the articulations of power and possibility difference and identity representation and remembrance that have shaped the means and meanings of Asian Americans playing sport in North America This volume will be of interest to students and scholars of the Asian American experience ethnic relations and the history of sport

Filipino American Sporting Cultures Constancio R. Arnaldo, Jr., 2024-11-19 The book ethnographically captures Filipino Americans participation in sporting cultures and the negotiation of identities in various sporting spaces It covers a well known and globally popular boxing icon Manny Pac Man Pacquiao while also accounting for the everyday experiences of Filipino Americans in sport which include basketball leagues and a flag football tournament

Living on Your Own Jesook Song, 2014-04-01 An ethnography of young single women struggling to live independently in South Korea Living on Your Own is an ethnography of young single women in South Korea who seek to live independently Using extensive interviews along with media analysis and archival research Jesook Song traces the women s difficulties in achieving residential autonomy Song exposes the clash between the women s burgeoning desire for independent lives and the ongoing incursion of traditional conservative family ideology and marriage pressure into housing practices and financial institutions She pays particular attention to the Korean rent system and the reliance on lump sum cash even for basic subsistence which promotes tight control of young adults lives by family and kinship networks The young women whose voices feature prominently in this book are a prototype of global youth in crisis caught between aspirations for the self development and flexible lifestyle championed by globalizing media and communication technology and the reality of their position as flexible labor in a neoliberal economy

Mixed-Race Politics and Neoliberal Multiculturalism in South Korean Media Ji-Hyun Ahn, 2017-12-01 This book studies how the increase of visual representation of mixed race Koreans formulates a particular racial project in contemporary South Korean media It explores the moments of ruptures and disjuncture that biracial bodies bring to the formation of neoliberal multiculturalism a South Korean national racial project that re aligns racial lines under the nation s neoliberal transformation Specifically Ji Hyun Ahn examines four televised racial moments that demonstrate particular aspects of neoliberal multiculturalism by demanding distinct ways of re imagining what it means to be Korean in the contemporary era of globalization Taking a critical media cultural studies approach Ahn engages

with materials from archives the popular press policy documents television commercials and television programs as an inter textual network that actively negotiates and formulates a new racialized national identity In doing so the book provides a rich analysis of the ongoing struggle over racial reconfiguration in South Korean popular media advancing an emerging scholarly discussion on race as a leading factor of social change in South Korea

Sport and Development in Emerging Nations

Cem Tinaz,Brendon Knott,2021-04-06 For the first time this book examines the strategies of leaders of emerging nations to use sport as a tool for reaching social economic cultural political technological or environmental goals and gaining international prestige It assesses whether sport can really be an effective tool in international development The book explores the unique challenges issues and opportunities offered by sport for development in emerging nations Bringing together case studies of sport and development in countries including Brazil China Czech Republic Hungary India Indonesia Mexico Poland Qatar South Africa South Korea and Turkey the book looks at policies designed to achieve development through by and for sport and whether they have achieved their socio economic objectives It considers the way that emerging nations have used major international sports events as political and developmental projects as well as the importance of sporting infrastructure professional leagues participation programmes and the influence of nationalism and ideology With a truly global perspective this book is important reading for any student researcher or policy maker with interest in sport management sport development development studies international economics globalisation or political science

Routledge Handbook of Sport, Race and Ethnicity John Nauright,David K Wiggins,2016-09-13 Few issues have engaged sports scholars more than those of race and ethnicity Today globalization and migration mean all major sports leagues include players from around the globe bringing into play a complex mix of racial ethnic cultural political and geographical factors These complexities have been examined from many angles by historians sociologists anthropologists and scientists This is the first book to offer a comprehensive survey of the full sweep of approaches to the study of sport race and ethnicity The Routledge Handbook of Sport Race and Ethnicity makes a substantial contribution to scholarship presenting a collection of international case studies that map the most important developments in the field Multi disciplinary in its approach it engages with a wide range of disciplines including history politics sociology philosophy science and gender studies It draws upon the latest cutting edge research to address key issues such as racism integration globalisation development and management Written by a world class team of sports scholars this book is essential reading for all students researchers and policy makers with an interest in sports studies Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
