

Tratado de endocrinología pediátrica

M. Pombo, editor
4.^a edición. McGraw-Hill Interamericana, 2009

La cuarta edición del ya clásico *Tratado de endocrinología pediátrica*, del profesor M. Pombo, está ya a disposición de los pediatras de España y Latinoamérica. Esta obra, cuya calidad científica ya es conocida desde las ediciones anteriores, abarca y actualiza toda la endocrinología pediátrica. Está dividida en 11 secciones y comprende 82 capítulos, escritos por destacados especialistas españoles y extranjeros. El enfoque general de algunos capítulos y el contenido altamente especializados de otros hace que este tratado sea de interés no sólo para los endocrinólogos en general, y muy especialmente para los pediatras, sino también para los pediatras de atención primaria, así como para los investigadores. El hecho de ser ade-

más el tratado más extenso publicado en lengua española en los últimos años hace que su proyección se extienda a Latinoamérica. Por todo ello, hay que felicitar al editor, que ha sabido reunir y coordinar a un equipo de colaboradores, más numerosos en cada edición, para dotar de una gran calidad científica a este tratado. El libro está ilustrado con numerosas figuras, tablas y esquemas en una edición muy buena, lo que facilita enormemente su lectura.

En resumen, un libro altamente recomendable.

J. Dalmau
Director y editor de «Acta Pediátrica Española»

El niño y la guardería del siglo XXI

J. Callabed
Barcelona: Editorial Laertes, 2009. 1 volumen, 266 páginas

Es conocida la destacada dedicación del doctor Joaquín Callabed como autor de una obra ya ingente. No significa que su atención se disperse en temas muy distintos, sino que mantiene un eje fundamental, en torno al cual va aportando ramas siempre interesantes. Ha tenido la suerte de seguir, y a veces compartir, su brillante carrera desde su formación como pediatra en la Facultad de Medicina y el Hospital Clínico de Barcelona hasta su espléndida madurez actual, sin olvidar sus raíces aragonesas. Por ello, me siento capaz de afirmar que de todo lo mucho realizado parece lícito proclamar como sobresaliente la dirección del Club de Pediatría Social de Barcelona. En consecuencia, en toda su actividad asistencial, docente y como escritor nunca falta el sentido social y la dedicación a todos los periodos de la infancia. Igualmente, cuando analiza un problema no deja de enlazarlo en todas sus vertientes. Así ocurre en lo referente a la salud escolar.

Este reciente libro, editado con su pulcritud habitual por la editorial Laertes de Barcelona, viene a ser un complemento necesario de otro también reciente sobre *Nuevos retos en la*

escuela, publicado por Certeza en Zaragoza. Ahora nos introduce en el mundo del menor en las actuales guarderías, que han experimentado una gran transformación en los últimos 40 años y, por fortuna, para mejorar. La misma denominación de «guardería» parece ya insuficiente, dado que estos centros no se dedican sólo a guardar lactantes y párvulos, por lo que se hacen esfuerzos por difundir nuevas denominaciones, como «centro infantil», «escuela infantil» o «jardín de infancia», aunque es difícil olvidarse del término «guardería», tantos años usado, y con la ventaja de ser un nombre breve y de una sola palabra.

Tal vez lo importante no es el nombre, sino su contenido, y en este aspecto el niño de meses o menor de 3 años encuentra allí un ambiente higiénico-sanitario y psicopedagógico en general muy correcto y adaptado a sus necesidades en todas las áreas. De esta manera, el antiguo rechazo a la guardería y sus peligros, que sinteticé hace muchos años y entre los primeros con el nombre de «síndrome de la guardería», debe modificarse en la actualidad. Por supuesto, no hay que olvidar que el temprano ingreso del pequeño en estos centros está condicio-

Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica Introduction

In today's digital age, the availability of Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tratado De Endocrinolog A Pedi Trica

Tratado De Endocrinolog A Pedi Trica books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg,

Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tratado De Endocrinolog A Pedi Trica Tratado De Endocrinolog A Pedi Trica books and manuals for download and embark on your journey of knowledge?
