Traveling With The Vw Bus And Camper:

Traveling With the Vw Bus & Camper Cee Eccles, David Eccles, 2007-02-01 Introduced in the 1950s the VW bus was designed to be multifunctional. Since then it has come to symbolize fun, freedom and adventure. VW bus owners fully incorporate their vehicles into their lives. Some treat them as an extension of their home while others undertake epic journeys in them across desert and sea and through Europe, Asia and Africa. Some strap surfboards to the roof and head for the nearest beach while others soup up the engines and take them drag racing in California. All will spend hours restoring and customizing them and even more time talking about them with fellow bus owners. Traveling with the VW Bus and Camper is a tribute to this passion to the owners who have lavished time, effort and inspiration on their campers and of course to the VW bus itself. This book traces the cult of the camper from family errands to vacation home to design icon. Above all else the campervan is living history and readers will find chapters dedicated to travel narratives detailing road trips from England to Afghanistan and back, ad campaigns that sell the VW bus lifestyle and weddings and other family events that feature buses in their ceremonies. Obsession or addiction? See for yourself.

Campervan Crazy David Eccles, Cee Eccles, 2015-07-01 A camper is not just a camper. It's whatever you want it to be. Introduced in the 1950s the campervan has captured the hearts of people all over the world and become a much loved symbol of travel and fun. Owners are extraordinarily passionate about their campers: some treat them as an extension of their home, others undertake epic journeys in them across desert and sea through Europe, Asia and Africa. Some strap surfboards to the roof and head for the nearest beach while others soup up the engines and take them drag racing. Many will spend hours restoring and customizing them and even more talking about them with fellow bus owners. Campervan Crazy is a tribute to this passion to the owners who have lavished time, effort and inspiration on their vans and of course to the campervan itself. It traces the cult of the campervan from family runabouts to holiday home and design icon. Above all else the campervan is living history and you will find chapters dedicated to births, marriages and deaths, wide-eyed wanderers as well as some buses behaving badly.
