Treasure Island Literary Touchstone Edition:

Treasure Island - Literary Touchstone Edition Robert Louis Stevenson, 2005 This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help readers unfamiliar with some of the vocabulary and nautical terms appreciate Stevenson's grand adventure. Everyone dreams of finding buried treasure and that is why Robert Louis Stevenson's *Treasure Island* is such an enduring classic. *Treasure Island* published in 1883 gave Stevenson his first popular success and it's easy to see why it remains a favorite of readers of all ages. The tale of young Jim Hawkins and his unlikely band of adventurers strikes at the very heart of our own desire to lose ourselves among hidden chests, cryptic maps, and treacherous companions. If you loved it when you read it earlier, you owe it to yourself to revisit the deceitful Long John Silver, the dull but reliable Dr. Livesey, and the pompously naive Squire Trelawney. If this is your first visit to the high seas, find yourself a comfortable chair because you won't be putting the book down until the last mutineer is brought to justice and last gold coin counted.
