hold in your hands is the only authorized official biography about Vincent Price's entire life in films ever published in history with his direct participation and approval in his own words. Never before has the story of Vincent's life been told how he rose from dramatic theatre and stage to joining the ranks of the early cultured Hollywood elite fresh from where motion pictures were first spawned to eventually spend his life behind horrifying makeup and horror genre movie roles at the sacrifice of a greater passion for fine art and comedy. For nearly a century we've known the name. We've heard the voice. We've seen the many faces. At last with *The Price of Fear: The Film Career of Vincent Price in His Own Words* we can know the man directly from the legend himself in this never before published highly entertaining and inspirational masterpiece. *Video Watchdog*, 2000. *The Advocate*, 2000. **The Book of Joe** Vincent Price, 2016-04-26. In the tradition of Anna Quindlen's *Good Dog Stay* the iconic star of the Dr. Phibes films shares the heartwarming tale of his mischievous mutt Actor Vincent Price won acclaim for his performances as a menacing villain in dozens of macabre horror films such as *House of Wax*. Less well known though is Price's lifelong love of animals especially his fourteen year old mutt Joe. From his wife's passion for poodles to film set encounters with all types of creatures including goats apes and camels Price's life was full of furry four legged friends. But it was Joe who truly captured his heart. Intelligent courageous and devoted to his owner Joe was a special dog with a personality all his own. In this touching and light hearted memoir with a new introduction by Bill Hader and a preface by Vincent Price's daughter Victoria Joe gets involved in all sorts of hijinks. At one point the actor has to defend his canine companion in court. Despite some bad habits like stealing guests shoes pursuing lustful trysts with neighboring dogs or belly flopping into the garden fishpond crushing more than a few fish Price loves his Joselito whose unconditional loyalty more than makes up for his minor indiscretions. And when Price's elderly cousin who comes to stay with him is stricken with cancer Joe never leaves her side. Price's tender and witty recollections of his time spent with Joe will bring joy to any animal lover's heart. The Vincent Price Family Legacy will donate a portion of the proceeds from this book to the Fund for Animals.
