Look, Listen, Learn, LEAD Jeffery Smith, Kate Wolfe Maxlow, John

Caggianno, Karen L. Sanzo, 2020-10-01 Look Listen Learn LEAD A District Wide Systems Approach to Teaching and Learning in PreK 12 lays out the transformational journey of Hampton City Schools HCS an urban school division of 30 schools in southeastern Virginia Our school district faces numerous challenges such as 62% of students receiving free and reduced price lunch and 14% of students holding an IEP and in 2015 2016 Hampton City Schools state accreditation rate was approximately half the statewide rate and on a downward trend In only three years that was turned around and HCS exceeded the statewide accreditation rate a more than 100% improvement with 100% of our schools accredited without conditions We attribute this in large part to our dedicated educators and their implementation of district wide systems for curriculum instruction checking for student understanding climate and culture The goal of this book is to break down the process of what it takes to bring about large scale educational change that is sustainable We describe a process for developing a strong mission and vision to undergird the work around a variety of district wide systems This book provides insights into how to improve climate and culture create a guaranteed and viable written curriculum establish a process for evaluating its implementation and create a balanced assessment framework to measure student success Complete with example templates action plans and lessons learned this book is a true example of theory into practice to bring about sustained improvement for all learners

Culture in School Learning Etta R. Hollins, 2015-06-05 Challenging educators to better understand themselves and their students this text presents a powerful process for developing a teaching perspective that embraces the centrality of culture in school learning The six part process covers examining culture personalizing culture inquiring about students cultures and communities applying knowledge about culture to teaching formulating theory or a conceptual framework linking culture and school learning and transforming professional practice to better meet the needs of students from different cultural and experiential backgrounds All aspects of the process are interrelated and interdependent Two basic procedures employed in this process are presented constructing an operational definition of culture that reveals its deep meaning in cognition and learning and applying the reflective interpretive inquiry RIQ approach to making linkages between students cultural and experiential backgrounds and classroom instruction Pedagogical features in each chapter include Focus Questions Chapter Summaries Suggested Learning Experiences Critical Reading lists A Companion Website new for the Third Edition www.routledge.com/cw Hollins provides additional student resources
