Chicago, Illinois—Several hundred city education workers of the United Public Workers of America (UPWA) of Chicago, Illinois, are participating in an 11-day strike of city public schools. The strike after thousands of teachers have been laid off because the city failed to increase the tax to fund them, many more have left the city and state because of the high unemployment rate. The city is expected to pay the teachers back for the money they lost during the strike.

The proposed results are inconsistent with the idea of "strong" Bayesian learning, which is the idea that the more data is collected, the more the posterior distribution concentrates on the true parameter value. In fact, the results show that the posterior distribution concentrates on the true parameter value only if the data is collected in a way that is consistent with the true parameter value. This is a very strong condition, and it is not clear how it can be satisfied in practice.

Vitamin D New Perspectives In Drawing By Emma Dexter:

The Story of Drawing Susan Owens, 2024-09-10 Drawing is at the heart of human creativity The most democratic form of art making it requires nothing more than a plain surface and a stub of pencil a piece of chalk or an inky brush Our prehistoric ancestors drew with natural pigments on the walls of caves and every subsequent culture has practised drawing whether on papyrus parchment or paper Artists throughout history have used drawing as part of the creative process While painting and sculpture have been shaped heavily by money and influence drawing has always offered extraordinary creative latitude Here we see the artist at his or her most unguarded Susan Owens offers a glimpse over artists shoulders from Michelangelo Rembrandt and Hokusai to Van Gogh K the Kollwitz and Yayoi Kusama as they work think and innovate as they scrutinise the world around them or escape into their imaginations The Story of Drawing loops around the established history of art sometimes staying close at other times diving into exhilarating and altogether less familiar territory Drawing

Investigations Sarah Casey, Gerry Davies, 2020-06-11 Using close visual analysis of drawings artist interviews critical analysis and exegesis Drawing Investigations examines how artists use drawing as an investigative tool to reveal information that would otherwise remain unseen and unnoticed How does drawing add shape to ideas How does the artist accommodate to challenges and restraints of a particular environment To what extent is a drawing complementary and continuous with its subject and where is it disruptive and provocative Casey and Davies address these questions while focusing on artists working collaboratively and the use of drawing in challenging or unexpected environments Drawing Investigations evaluates the emergence of a way of thinking among an otherwise disconnected group of artists by exploring commonalities in the application of analytical drawing to the natural world urban environment social forces and lived experience Examples represent a spectrum of research in international contexts an oceanographic Institute in California the archives of Amsterdam s Rijksmuseum the Antarctic Survey geothermal research in Japan and the Kurdish diaspora in Iraq Issues are situated in the contemporary theory and practice of drawing including relationships to historical precedents By exploring drawing s capacity to capture and describe experience to sharpen visual faculties and to bridge embodied and conceptual knowledge Drawing Investigations offers a fresh critical perspective on contemporary drawing practice
