Divine Feminine self reliance is more than being self sufficient It means not clinging to people It means not making life
harder for others than it already is For the most part it s an attitude and it s one that will serve you well no matter the
circumstances in which you find yourself You probably know someone who lives on their own terms with an independent
attitude and a determination to take care of their own needs they are accountable for themselves The shift to taking
responsibility for our lives is vital to transforming our life into one of Divine Feminine self reliance No matter what
challenges we face we must learn to save ourselves Do not wait for someone else to come along the proverbial white knight
Do not buy into the old story that someone else can take better care of you than you can Your Divine Feminine Power is all
about being self reliant When we think of self reliance sometimes we think of everything being on our shoulders That s not
the case Being self reliant and independent doesn t mean you have to be alone it is being responsible for your life and taking
the lead when it comes to planning making decisions and taking action It s about you taking the initiative and making certain
things get done in a manner that is in your best interest This book will encourage and teach you to embrace a more self
reliant Divine Feminine mindset one small step at a time in many areas of your life Your Divine Feminine energy power and
