## **With God In The Crucible Preaching Costly Discipleship:**

**With God in the Crucible** Peter Storey, 2010-09-01 Often the church is accused of being so embedded in the culture that effective prophecy leveled at the culture is impossible But this book illustrates that there was a time and a place where the church community was faithful to its mission as the body of Christ as church leaders led people lifted high the cross and they marched into the uncertainty that still prevails Here is a time and place where the call to risky discipleship was answered not with whimpers whines and excuses but with the power of faithful Christians living out their call This book illustrates what it can mean to faithfully answer the call to discipleship and God s service Many people wonder if they would be able to stand up for their faith if it meant great personal sacrifice or the sacrifice of people they love They wonder what they would risk for their faith if anything In the United States where cost benefit analysis is a popular way to assess risk many Christians wonder if they might not have to stand alone because too many see the risks as too costly As suggested by the title this book draws upon a collection of sermons and addresses given by Peter Storey in a variety of contexts between 1966 and 1993 The original audiences ranged from the all white Central Methodist Church in Johannesburg to the South African Council of Churches to the nation of South Africa and to the world All of these sermons and addresses are directly related to specific historical events security police confrontations beatings and tear gassings in churches around the country of South Africa an imposed State of Emergency the murder of 14 year old Stompie Sepie by Winnie Mandela s thugs and the violent jockeying for power between Mandela s African National Congress Chief Mangosutho Buthe lizi s Inkatha Movement and F W de Klerk s regime The book offers the full perspective of what it means to speak truth empower people to stand for the truth and to pastor souls during times when living truth seems almost impossible Key Features 1 Foreword by Desmond Tutu 2 15 chapters each including a brief description of the original context the sermon and its connection with the present and a prayer 3 Epilogue by Will Willimon *Preaching Prophetic Care* Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation s complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today s social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice The Call

to Discipleship Karl Barth,2003-11-01 In this brief essay drawn from Church Dogmatics Barth articulates what it means to follow Jesus in faith He emphasizes that discipleship involves a detachment from the authority of possessions foregoing the pursuit of personal glory challenging the fear and use of force the dissolution of self evident personal attachments and a better righteousness which goes beyond actions to intentions and practices piety in secret The command of Jesus is issued with all the freedom and sovereignty of grace against which there can be no legitimate objections of which no one is worthy for which there can be no preparation which none can elect and in the face of which there can be no qualification

**Practicing Discipleship** Nicole L. Johnson,2009-06-01 Despite a plurality of doctrinal statements on war peace and nonviolence some United Methodists sustain a commitment to nonviolence Through qualitative research Practicing Discipleship draws out lived theologies of nonviolence in order to understand how nonviolent United Methodists define ground and practice nonviolence and to give that voice opportunity to challenge church doctrine and thereby the wider church An analysis of statements from the Book of Disciplines and the Book of Resolutions reveals the plurality of Methodist teachings on moral issues related to war and peace While such plurality is indicative of the inclusive tradition of United Methodism Johnson shows that it also causes confusion thus hindering the vitality and authority of the church s witness This study s qualitative analysis of in depth interviews with twelve nonviolent United Methodists reveals a lived theology rooted in Scripture and theological reflection it points particularly to a christocentrism that posits nonviolence as central to Christ s teachings and example While study participants affirm the tradition of openness in the United Methodist Church they also call for more tangible and extensive support for and education about nonviolence as a faithful option for Christians Through amicable and constructive practical theological dialogue doctrinal plurality and ecclesial openness are affirmed as appropriate and possible only within the context of the church s profound commitment to serious discipleship which includes transformation toward nonviolence Implications of this interaction include developing and adopting a more truthful conception of a nonviolent ethics moving toward broadly conceived Christian formation in nonviolence and fostering ongoing ecclesial dialogue about difficult moral issues of war peace and nonviolence

Curry, 2013-08-07 Popular and widely known preacher Bishop of the Diocese of North Carolina Based on his 2012 General Convention homily and video that went viral on the web Includes the acclaimed 2012 General Convention address We need some Christians who are as crazy as the Lord Crazy enough to love like Jesus to give like Jesus to forgive like Jesus to do justice love mercy walk humbly with God like Jesus Crazy enough to dare to change the world from the nightmare it often is into something close to the dream that God dreams for it And for those who would follow him those who would be his disciples those who would live as and be the people

of the Way It might come as a shock but they are called to craziness from Bishop Curry s Crazy Christians address to the 2012 General Convention of the Episcopal Church in Indianapolis      *Historical Dictionary of Methodism* Jennifer Woodruff Tait,Christopher J. Thompson,2014-02-05 Life is not fair What does this reality imply about the nature of God and the destiny of human beings In this engaging book Thompson asserts that fairness is not an expectation of the faithful within the Judeo Christian Scriptures Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant When the church grasps for power and control avoids compassionate and costly ministries among the poor and powerless and renders primary focus upon gaining heavenly rewards it rejects its Christ centered mission relinquishes its paradoxical purpose and ceases to strive toward becoming an extension of the incarnation Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian      *Desmond Tutu* John Allen,2008 Written by a distinguished journalist and longtime associate of Desmond Tutu this definitive biography captures the flavor and details of Tutu s life while shedding light on the struggles and triumphs of modern society Drawing on personal experiences with Tutu as well as unprecedented access to his papers this account explores how Tutu transformed from a barefoot schoolboy in a deprived black township into an international symbol of the democratic spirit and religious faith During face to face confrontations

with South African leaders and violent protests in the streets Tutu maintained his faith in the power of peace and when appointed to head the Truth and Reconciliation Commission Tutu seized upon it as an instrument of healing and redemption Through his moral example and his lyrical command of language he has successfully appealed to the conscience of the world and brought a whole new meaning to the phrase human rights [Rabble-Rouser for Peace](#) John Allen,2006-10-03 South African journalist John Allen movingly captures Desmond Tutu's life in a commanding story that sheds light on the struggles and triumphs leading up to Tutu's Nobel Prize for his leadership in the resistance against apartheid in South Africa To be a rabble rouser for peace may seem to be a contradiction in terms And yet it is the perfect description for Desmond Tutu Nobel laureate and spiritual father of a democratic South Africa Tutu understood that justice a genuine regard for human rights is the only real foundation for peace So he stirred up trouble courageously engaging in heated face to face confrontations with South Africa's leaders he stirred up trouble in the streets leading peaceful demonstrations amid the barely controlled fury of police battalions he stirred up trouble on the world stage seeking international disinvestment in the apartheid economy Tutu has led one of the great lives of the late twentieth and early twenty first centuries and to read his story in full is to be reminded of the power of one inspired man to change history In this authorized biography written by John Allen a distinguished journalist and longtime associate of Tutu we are witnesses to courage stirring oratory and a demonstration of the power of faith to transform the seemingly intransigent Through the author's personal experiences total access to the Tutu family and their papers and considerable research including the use of new archival material Allen tells the story of a barefoot schoolboy from a deprived black township who became an international symbol of the democratic spirit and of religious faith

pulpit heading the SA Council of Churches with Bishop Desmond Tutu leading 25 000 marchers against Johannesburg's secret police headquarters and confronting Winnie Mandela's wrongs Storey's ministry was shaped by one simple question What does it mean to obey Jesus in apartheid South Africa This book tells of his answer and challenges the silence of American churches in the face of nationalism systemic racism and right wing populism in the USA
