With: Reimagining the Way You Relate to God

With explores the narrative of the Bible to show that we were created to be with God, and that restoring this connection is his mission. Instead of life over, under, from, or even for God, what leads us into freedom and restoration is life with God. Why are American Christians, who have more access to biblical teaching than any other people in history, failing to experience the freedom of the Christian life? Why are pastors, those closest to the work and ministry, burning out at an alarming rate? Why do many church members, who give large amounts of their time and wealth to Christ and his kingdom, secretly question the legitimacy of their efforts? And why are spiritual seekers dismissing the validity of the Christian message? Is it possible we've misunderstood the call of the Christian life? A life lived in rich communion with God cultivates faith, hope, and love in a way that transforms both us and the broken world we inhabit. In *With*, you'll find illustrations of concepts in the book to aid understanding recommendations for how to practice

Serious about the Church? Skye Jethani, 2022-07-19 Researchers have uncovered the following three trends First distrust of institutions including the church is at an all time high Second young people raised in the church are leaving at alarming rates and not returning Third loneliness and social isolation are at pandemic levels What's the connection It appears that an entire generation is starving for the very thing the church is called to provide but has chosen to look for it elsewhere Why is this happening Following the model set by What If Jesus Was Serious short readings and engaging illustrations What If Jesus Was Serious about the Church looks at what the Bible really says about the church its purpose and the impact of its modern captivity to consumer values Rather than an event a building or an institution the New Testament calls the church to be a community living in communion with God and one another for the sake of the world **What If Jesus Was Serious?** Skye Jethani, 2020-06-02 Daily Devotions for People Who Hate Daily Devotions Let's face it A lot of Christian resources can feel cheesy out of touch and a little boring But when Skye Jethani started doodling and writing up some of his thoughts about God his Twitter and email list blew up What If Jesus Was Serious is a compilation of all new reflections and hand drawn doodles from Skye He takes a look at some of Jesus most demanding teachings in the Sermon on the Mount and pushes us to ask whether we're really hearing what Christ is saying The visual component of the book makes it memorable and enjoyable to read and Skye's incisive reflections make it worthwhile for any Christian If you've traditionally been dissatisfied with Christian devotional resources but love to learn about Jesus and think deeply this book was written for you *Rumors of God* Darren Whitehead, Jon Tyson, 2011-07-18 Discover a faith that goes beyond doubt and reveals how God continues to fulfill his promises today just as he did in biblical times unlocking true purpose and fulfillment in our busy modern lives Where is the life God promised us In the midst of our fast paced schedules and endless distractions we often push God to the background struggling to believe that his promises are still relevant He seems distant and the abundant life Jesus spoke about doesn't seem possible When we hear that God wants to give say and show us more we assume it's just a rumor But what if God really is calling us to something more a life of deeper purpose fulfillment and peace today and right now In *Rumors of God* Jon Tyson and Darren Whitehead challenge us to reimagine what it means to live a life shaped by faith They invite us to close the gap between the promises we've heard and the reality we experience helping us see how God's presence and power are at work even in our modern everyday lives This book is more than a reminder it's a call to rediscover a God who is active present and moving among us For those feeling weary jaded or uncertain about how faith fits into today's world *Rumors of God* offers a fresh perspective on God's timeless promises **Finding Home** Colleen Johnson, 2023-01-07 This book takes a unique approach to the idea of soul care by comparing it to the concept of home When we allow Jesus to do a transformational work in our souls to give us the feeling of home loved secure nourished accepted and healing every day When we make it a practice to cultivate Jesus presence within us we will feel at home in our inner being instead of being spiritually and emotionally homeless When we cultivate the presence of Jesus and work through key soul care principles and

develop a rhythm of practices that incorporate the spiritual disciplines of feeding on God's Word, worship and thanksgiving, listening, prayer, praying scripture and times of fasting and solitude; it leads our soul home. These practices create an atmosphere that God uses to fill us with more of Himself and His ways. The more of God we have, the more He guides us to tear down walls of self-protection, find the truth of who we are in Christ and defeat the attacks of our enemy Satan so that we start walking more as Jesus walked. This process brings our soul to the home where it belongs. *Futureville* Skye

Jethani, 2014-01-28. Want to see the future? It is brighter than you think. What we believe about tomorrow determines how we live today. As Christians debate how to faithfully engage with our rapidly changing world, our vision of the future has never been more important. But rather than providing a clear sense of purpose for our lives, popular Christian ideas about the future steal it from us by saying our work in the world apart from ministry has no eternal value. Is it any wonder why young adults are less interested in church or why a culture desperate for meaning and hope dismisses our message? In *Futureville*, Skye Jethani offers us a vision, shifting glimpse of the world of tomorrow described in Scripture. He reveals how a biblical vision of the future can transform every person's work with a sense of purpose and dignity today. *Futureville* is a smart, inspiring call to cultivate the order, beauty and abundance that reflects the heart and vision of God for our world. *Giving Blood* Leonard Sweet, 2014-03-25. A Groundbreaking Resource for Preaching. If the church wishes to converse effectively with a culture, it must learn the culture's language. Today's shifts in technology mean that language is increasingly one of symbols and metaphors, stories and images, not words. So what does this mean for the sermon, that long-standing word-based tradition of Christianity? In this groundbreaking resource, bestselling author Leonard Sweet offers an alternative to traditional models of preaching, one that is fitting to a new culture and a new mode of thinking. The first book of its kind to move preaching beyond its pulpit-centric fixation and toward more interactive, participatory modes of communication, Sweet presents both a challenge and a path forward for a church struggling to maintain its relevance in a post-modern, media-saturated culture.

Open-Hearted People, Soul-Connected Church Tom Bennardo, 2025-04-08. Ask most anyone and they would say they desire honest, authentic, real relationships. Yet few of us experience the soul-level connection we long for with other human beings, let alone God. Fear and pride drive us to mask our truest selves, leaving us perpetually disconnected, hidden and lonely. God made us for something profoundly better: an open-hearted, courageous honesty that liberates us from a life of guardedness and self-protection and has the power to radically transform our approach to Christian community. In fact, it's those things about ourselves we're most afraid to reveal that lead to the kind of love and acceptance we yearn for. This book is your call to embrace and practice heart-level honesty and authenticity in this age of artificiality. As you learn to engage your world with your soul wide open, you'll discover deeper connections with yourself, others and God, and open avenues for other lonely and disconnected souls to join you there. *Adoptive Youth Ministry (Youth, Family, and Culture)* Chap

God Loves You David Jeremiah, 2025-05-01

That God loves us is the most profound truth in the universe. Experiencing this love has the potential to answer every question, solve every problem, and satisfy the deepest yearnings of the heart. So why are many people who believe this still unable to fully utilize the power of God's love in their personal lives? In this probing book, Dr. David Jeremiah reveals that not fully understanding and appreciating every critical dimension of God's love can lead to missed opportunities to experience His love. He explains how even the so-called negative dimension of God's actions—hell, prohibitive commandments, pain, and suffering in the world—can only be rightly understood by viewing them in light of God's true love. *GOD LOVES YOU* will enable readers to know God in a way that will consciously connect them with the healing power of His grace so they can experience the life of love they were created to enjoy.
