Women And War Power And Protection In The 21st Century:

Women and War Chantal de Jonge Oudraat, 2011 In consideration of UN Resolution 1325 which called for women's equal participation in promoting peace and security and for greater efforts to protect women exposed to violence during and after conflict this volume takes stock of the current state of knowledge on women peace and security issues including efforts to increase women's participation in post conflict reconstruction strategies and their protection from wartime sexual violence

Women, War, and Violence Mariam M. Kurtz, Lester R. Kurtz, 2015-08-28 This set of original articles probes the breadth of vital issues surrounding the impact of war and violence on women globally and examines what is being done to mitigate their effects The story of men's roles in war and violence fills headlines and history books but the women's narrative too often goes unnoticed This two volume work brings women's voices to the fore highlighting new scholarship and journalism to offer a realistic understanding of this timely topic Including both historical context and contemporary issues the volumes explore types of violence affecting women and girls as victims of war and as combatants in and perpetrators of war Equally important it provides an in depth look at resistance movements and peacemaking efforts examining how these issues can and should be addressed The two volumes bring together a wide range of articles by experts from various fields and backgrounds to provide the first all inclusive overview of women war and violence Other works on the subject tend to be focused on Western nations offering a narrow view of a global issue This compendium in contrast takes a truly international approach It provides general readers policymakers students and scholars with a compelling collection of insights from around the world exposing the varied experiences women have had and continue to have with violence and war

Berts, 2014-05-15 Through extensive analysis of the Swedish Armed Forces this study explores the possibilities and pitfalls of implementing of a gender perspective in military organizations and operations It established a number of important lessons for similar attempts in other countries and discusses the continued process of implementation in the Swedish military

The Oxford Handbook of Religion, Conflict, and Peacebuilding Atalia Omer, R. Scott Appleby, David Little, 2015 The book provides a comprehensive overview of the literature on religion conflict and peacebuilding With a focus on structural and cultural violence the volume also offers a cutting edge interdisciplinary reframing of the scope of scholarship in the field

Making Empire Jane Ohlmeyer, 2023-10-10 Ireland was England's oldest colony Making Empire revisits the history of empire in Ireland in a time of Brexit the culture wars and the campaigns around Black Lives Matter and Statues must fall to better understand how it has formed the present and how it might shape the future Empire and imperial frameworks policies practices and cultures have shaped the history of the world for the last two millennia It is nation states that are the blip on the historical horizon Making Empire re-examines empire as process and Ireland's role in it through the lens of early modernity It covers the two hundred years between the mid sixteenth century and the mid eighteenth century that equate roughly to the timespan of the

First English Empire c 1550 c 1770s Ireland was England's oldest colony How then did the English empire actually function in early modern Ireland and how did this change over time What did access to European empires mean for people living in Ireland This book answers these questions by interrogating four interconnected themes First that Ireland formed an integral part of the English imperial system Second that the Irish operated as agents of empire's Third Ireland served as laboratory in and for the English empire Finally it examines the impact that empire's had on people living in early modern Ireland Even though the book's focus will be on Ireland and the English empire the Irish were trans imperial and engaged with all of the early modern imperial powers It is therefore critical where possible and appropriate to look to other European and global empires for meaningful comparisons and connections in this era of expansionism What becomes clear is that colonisation was not a single occurrence but an iterative and durable process that impacted different parts of Ireland at different times and in different ways That imperialism was about the exercise of power violence coercion and expropriation Strategies about how best to turn conquest into profit to mobilise and control Ireland's natural resources especially land and labour varied but the reality of everyday life did not change and provoked a wide variety of responses ranging from acceptance and assimilation to resistance This book based on the 2021 James Ford Lectures Oxford University suggests that the moment has come revisit the history of empire if only to better understand how it has formed the present and how this might shape the future
