Unlocking Romans Resurrection And The Justification Of God:

Unlocking Romans J.R. Daniel Kirk, 2008-11-03 If the God of Israel has acted to save his people through Christ but Israel is not participating in that salvation how then can this God be considered righteous Unlocking Romans is directed in large extent toward answering this question in order to illuminate the righteousness of God as revealed in the book of Romans The answer here J R Daniel Kirk claims comes mainly in terms of resurrection Even if only the most obvious references in Romans are considered and Kirk certainly delves more deeply than that the theme of resurrection appears not only in every section of the letter but also at climactic moments of Paul s argument The network of connections among Jesus resurrection Israel s Scriptures and redefining the people of God serves to affirm God s fidelity to Israel This in turn demonstrates Paul s gospel message to be a witness to the revelation of the righteousness of God **Themelios, Volume 35, Issue 1** D. A.

Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary Paul and the Hope of Glory Constantine R. Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell s award winning book Paul and Union with Christ is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul s thinking that affects virtually everything else While union with Christ is the webbing that joins Paul s thought together eschatology provides the shape of his thought and thus gives shape to his teaching about justification resurrection the cross ethics and so forth There is considerable debate however about Paul s eschatology asking whether he is a covenant or an apocalyptic theologian In Paul and the Hope of Glory Campbell conducts a thorough exegetical study of the relevant elements of Paul s eschatological language metaphors and images including

parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul's thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul's eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul's eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul's thinking

God and Grace in Philo and Paul Orrey McFarland, 2015-11-09 In *God and Grace in Philo and Paul* Orrey McFarland examines how Philo of Alexandria and the Apostle Paul understood divine grace While scholars have occasionally observed that Philo and Paul both speak about God's generosity such work has often placed the two theologians in either strong continuity or stark discontinuity without probing into the theological logic that animates the particularities of their thought By contrast McFarland sets Philo and Paul in conversation and argues that both could speak of divine gifts emphatically and in formally similar ways while making materially different theological judgments in the context of their concrete historical settings and larger theological frameworks That is McFarland demonstrates how their theologies of grace are neither identical nor antithetical

Christ Is King Joshua W. Jipp, 2015-12-01 Until recently many scholars have read Paul's use of the word *Christos* as more of a proper name Jesus Christ than a title Jesus the Messiah One result Joshua W Jipp argues is that important aspects of Paul's thinking about Jesus messiahship have gone unrecognized Jipp argues that kingship discourse is an important source for Paul's christological language Paul uses royal language to present Christ as the good king Jipp surveys Greco Roman and Jewish depictions of the ideal king and argues for the influence of these traditions on several aspects of Paul's thought king and law Galatians 5:6 Romans 13:15 1 Corinthians 9 hymning to the king Colossians 1:15 20 the just and faithful king the royal roots of Paul's language of participation in Christ and the enthroned king Romans 1:3 4 1 Corinthians 15:20 28 Jipp finds that Paul's use of royal tropes is indeed significant *Christos* is a royal honorific within Paul's letters and Paul is another witness to ancient discussions of monarchy and ideal kingship In the process Jipp offers new and noteworthy solutions to outstanding questions concerning Christ and the law the *pistis Christou* debate and Paul's participatory language

Gorman, 2019-09-17 World renowned scholar Michael Gorman examines the important Pauline theme of participation in Christ and explores its contemporary significance for Christian life and ministry One of the themes Gorman explores is what he calls resurrectional cruciformity that participating in Christ is simultaneously dying and rising with him and that cross shaped living infused with the life of the resurrected Lord is life giving Throughout the book Gorman demonstrates the centrality of participating in Christ for Paul's theology and spirituality
