Unlocking Trusts Unlocking Trusts

Lalit K Sahu

Unlocking Trusts Unlocking Trusts:

Unlocking Equity and Trusts Mohamed Ramjohn, 2015-04-10 Unlocking Equity and Trusts will help you grasp the main concepts of Equity and Trusts with ease. Containing accessible explanations in clear and precise terms that are easy to understand, it provides an excellent foundation for learning and revising. The information is clearly presented in a logical structure and the following features support learning, helping you to advance with confidence:

- Clear learning outcomes at the beginning of each chapter set out the skills and knowledge you will need to get to grips with the subject.
- Key Facts summaries throughout each chapter allow you to progressively build and consolidate your understanding.
- End of chapter summaries provide a useful check list for each topic.
- Cases and judgments are highlighted to help you find them and add them to your notes quickly.
- Frequent activities and self-test questions are included so you can put your knowledge into practice.
- Sample essay questions with annotated answers prepare you for assessment.
- Glossary of legal terms clarifies important definitions.

This edition has been updated to include a brand new chapter on equitable remedies, an expanded chapter on fiduciaries and extended coverage of tracing. It also discusses recent developments in the law, such as the Trusts of Land and Trusts Act 2001, the Supreme Court decision in *Futter v. Perpetual Trustees* and the amended Public Benefit guidance issued by the Charity Commission. The books in the Unlocking the Law Series get straight to the point and offer clear and concise coverage of the law, broken down into bite-size sections with regular recaps to boost your confidence. They provide complete coverage of both core and popular optional law modules, presented in an innovative visual format and are supported by a website which offers students a host of additional practice opportunities. Visit www.unlockingthelaw.co.uk for access to free study resources, including multiple choice questions, key questions and answers, revision mp3s and cases, and materials exercises.

Unlocking Trusts Mohamed Ramjohn, 2005 Unlocking the Law is a completely new series of textbooks with a unique approach to undergraduate study of law. From its conception, the series has been designed specifically so that the subject matter is readable; students are not overwhelmed with page after page of continuous prose. The text of each title is broken up with features and activities that have been written to ensure that students are pointed in the right direction when it comes to understanding the purpose of different areas within the course. Ultimately, the accessible style of Unlocking the Law will ensure that students not only understand fully the concepts required but are able to apply them with competence. All titles in the series follow the same format and include the same features so that students can move easily from one law subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications and will expand to include more titles on option areas.

Key features:

- Numerous headings and sub-headings to direct students easily to the specific area of study required.
- Cases separated from the main text with full citation for easy access.
- Key extracts from judgments separated out from the main text.
- Highlighted key extracts from academic sources such as leading texts or articles in legal journals with full citation.
- Summary charts of key

facts Diagrams flow charts and other key visual aids Activities including practice of specific undergraduate skills and learning tasks

Unlocking Equity and Trusts Mohamed Ramjohn, Judith Bray, 2024-07-29 Now in its 8th edition *Unlocking Equity and Trusts* will help you grasp the main concepts of this core subject with ease Containing accessible explanations in a clear and logical structure the following features provides an excellent foundation for learning and revising Clear learning outcomes at the beginning of each chapter set out the skills and knowledge you will need to get to grips with the subject Key Facts summaries throughout each chapter allow you to progressively build and consolidate your understanding End of chapter summaries provide a useful check list for each topic Cases and judgments are highlighted to help you find them and add them to your notes quickly Frequent activities and self test questions and sample essay questions are included so you can put your knowledge into practice and prepare you for assessment A brand new critiquing the law feature is designed to foster essential critical thinking skills The 8th edition has been fully updated throughout to reflect recent developments and changes in the law including significant updates to the chapters on Proprietary Estoppel and Trusts of the Family Home *Unlocking Equity and Trusts* is essential reading for all students studying Equity and Trusts for the first time

Introduction to Equity and Trusts - Revision Guide Justin Brunsell, 2024-06-28 The greatest contribution to English law has been the concept of a trust and equitable ownership and while its origins date back to the Middle Ages the use of trusts is alive and well forming the basis of many settlements Equity has allowed the Law in particular Land Law to grow and develop providing new rights and remedies allowing it to evolve and adapt to changing situations and new demands imposed by modern society This has led to a debatable fusion between the Common Law and Equity giving rise to a single coherent body of law In reality it is best to think of two systems or streams of law sitting side by side and giving effect to the law as it stands today As the origin of the claim or right can affect the remedy available and through a process of evolution some equitable principles have been absorbed into the Common Law as distinct rights Therefore thinking of Law and Equity as totally separate and distinct will only hinder the understanding of both and impede the development of English Law This book is superbly outlined with clear learning outcomes It undoubtedly provides a practical overview of Equity and Trusts It will be an indispensable source for law students Professor Zg r H nar Deputy Head of School of Law and Criminology University of Greenwich UK
