Social Theory Mark Murphy, 2021-08-22 This textbook delivers a new thematic introduction to social theory that explores theoretical issues in their contemporary social contexts Each chapter is devoted to a specific thematic area including the state governance the economy civil society culture language knowledge the self emotions the body and social justice Each chapter details the key issues for debate and the relevant theories while linking those debates and theories to everyday life Distributed throughout the chapters are focused sections on key concepts and their research applications alongside helpful additional detail including a glossary further suggested readings chapter summaries and questions for discussion The book also provides useful information on key theoretical movements such as feminism Marxism and post structuralism as well as biographies of key theorists As such it reflects the breadth of social theory and its interdisciplinary nature by drawing on thinkers not just from sociology but also from philosophy history literature geography cultural and gender studies The book's logical structure and clear pedagogical features make it an appealing and accessible introductory text for students new to social theory The chapters demonstrate the relevance of social theory to everyday life such that readers can understand and actively engage with key concepts

Contested Concepts in Gender and Social Politics Barbara Hobson, Jane Lewis, Birte Siim, 2002-01-01 This text challenges mainstream thinking on welfare states citizenship family work and social policy It analyses the corresponding shifts in political discourse and the changes in socio political configurations that mirror changing gender relations

Structural Lie Charles C. Lemert, 2015-12-22 The Structural Lie tackles one of social science's most mysterious problems How is it possible to derive statements about the grand structures of social life from their effects in the small movements of everyday life Prominent sociologist Charles Lemert shows how Marx and Freud provide some answers to this question Marx derived from the commodity his picture of the capitalist system Freud diagnosed the character of psyches from the details of dreams slips and jokes This wonderfully readable and engaging book lays the foundation for a new social science in an age where a microchip can convey a world of

information **Gender as a Verb** Annette Fitzsimons, 2017-11-22 This title was first published in 2002 Aiming to contribute to feminist theory in the area of paid employment this volume demonstrates how the meanings attached to gender can form part of the explanation for the persistence of gender segregation at work The author applies the Foucaultian concept of discourse to occupational segregation to offer a new approach to the study of gender segregation An analysis is provided of gender in relation to computer programming The Power of Feminist Theory Amy Allen, 2025-06-17 In this new second edition of *The Power of Feminist Theory* Domination Resistance Solidarity Amy Allen diagnoses the inadequacies of previous feminist conceptions of power and draws on the work of a diverse group of theorists of power including Michel Foucault Judith Butler bell hooks and Hannah Arendt in order to construct a new feminist conception of power The conception of power developed in this book enables readers to theorize domination resistance and solidarity and perhaps more importantly to do so in a way that illuminates the interrelatedness of these three modalities of power The new edition of this foundational text includes substantial new material on intersectionality and power transnational feminism and power in relation to homonationalism and neo imperialism and empowerment feminism It addresses important criticisms of Foucault Arendt and Butler that have been raised by Black feminists critical philosophers of race postcolonial theorists and Marxists *The Power of Feminist Theory* Domination Resistance Solidarity is an essential text for students engaging with feminist analyses of power feminist theory and feminist political thought *Postfeminisms* Ann Brooks, 2002-09-11 This book examines how feminism is being redefined for the twenty first century Concepts covered include feminist epistemology Foucault psychoanalytic theory and semiology cultural politics and sexuality and identity *Gender, Culture and Society* Chris Haywood, 2017-09-16 This text offers a wide ranging account of the dynamic relationship between gender culture and society Incorporates feminist theory theories of men and masculinity and post structuralism as well as recent global events ensuring a highly topical and relevant discussion **Critical Theory, Democracy, and the Challenge of Neoliberalism** Brian Caterino, Phillip Hansen, 2019-08-27 Using ideas derived from the critical theory of the Frankfurt School this book develops key elements of a radical theory of democracy that challenges both the assumptions and commitments of contemporary neo liberalism *The Work of Politics* Steven Klein, 2020-09-24 *The Work of Politics* advances a new understanding of how democratic social movements work with welfare institutions to challenge structures of domination Klein develops a novel theory that depicts welfare institutions as worldly mediators or sites of democratic world making fostering political empowerment and participation within the context of capitalist economic forces Drawing on the writings of Weber Arendt and Habermas and historical episodes that range from the workers movement in Bismarck s Germany to post war Swedish feminism this book challenges us to rethink the distribution of power in society as well as the fundamental concerns of democratic theory Ranging across political theory and intellectual history *The Work of Politics* provides a vital contribution to contemporary thinking about the future of the welfare state *The Oxford Handbook of Feminist Theory* Lisa Jane Disch, M. E.

Hawkesworth, 2016 The Oxford Handbook of Feminist Theory provides an overview of the analytical frameworks and theoretical concepts feminist theorists have developed to challenge established knowledge. Leading feminist theorists from around the globe provide in-depth explorations of a diverse array of subject areas capturing a plurality of approaches. The Handbook raises new questions, brings new evidence, and poses significant challenges across the spectrum of academic disciplines, demonstrating the interdisciplinary nature of feminist theory. *The Discursive Politics of Gender Equality*

Emanuela Lombardo, Petra Meier, Mieke Verloo, 2009-06-02 Adopting a critical perspective, this book explores how the concept of gender equality is stretched and bent in different ways according to the intervention of policy actors and assesses the consequences of the processes of policy framing. **Modern Sociological Theory** George Ritzer, Jeffrey

Stepnisky, 2017-01-23 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award, enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Now with SAGE Publishing and co-authored by one of the foremost authorities on sociological theory, the Eighth Edition of *Modern Sociological Theory* by George Ritzer and Jeffrey Stepnisky provides a comprehensive overview of the major theorists and theoretical schools from the Structural Functionalism of early 20th century through the cutting-edge theories of the late 20th and early 21st centuries. The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of contemporary thinkers. **Sex and**
