Taking Off Roofs and Building Bridges Alan J. Pihringer, 2022-09-27 Why don't they believe the same things I do Why don't they see things my way We get frustrated when people hold differing opinions from ours or view life's major issues from conflicting angles Their system of belief their worldview seems foreign to us as they filter the events of this world in ways that we would never have imagined and then come to conclusions that we would never even consider When other people's worldviews contradict ours both of us cannot be right Is there a way to account for the differences and determine if one is right and the other wrong For the Christian especially can we defend the Christian worldview in a way that upholds our entire system of belief and then opens the door to share the gospel with those who believe differently from us The method of worldview apologetics enables the Christian to expose the faults in other worldviews demonstrate the truth of the Christian worldview and build a bridge for others to hear the gospel of Jesus Christ Both scholarly and practical worldview apologetics equips the Christian to assess and critique differing belief systems and fulfill the call to Great Commission outreach
