Writing about Theatre Christopher J. Thaiss, Rick Davis, 1999 In Hamlet when the melancholy prince kills Polonius the dramatic tension is enhanced by the audience's knowledge that Polonius lurks behind the curtain and that Hamlet will mistake him for his detested stepfather Though this tension is understood and appreciated by readers of the play its dynamics of raw intensity are perhaps best understood by the interplay between performers and audience members By addressing both enthusiasts of theater and enthusiasts of dramatic literature Thaiss and Davis demonstrate how one's understanding of drama is enriched by critical attention to both performance and text It specifically addresses the writing needs of a novice playwright not in conjunction with writing about literature but about the play as subject in its own right This book provides critical analysis of play texts as well as performance reviews theater history research and other examples that enliven understanding and promote versatility In its sequence of chapters it addresses projects of increasing sophistication from performance reviews and play analyses to theater history research and dramatic theory papers As a general guide to good writing this book also promotes learning and critical creative thought Introductory chapters cover the principles of good writing and offer strategies to help readers overcome writer's block organize effectively and avoid common usage and style pitfalls Anyone interested in drama and or literature Writing for Theatre Kim Wiltshire, 2015-12-01

Playwriting, Dramaturgy and Space Sara Freeman, 2024-01-10 Theatre has come back to text but with perspectives shifted by the experimental practices of the twentieth century across performance forms Contemporary playwriting brings its scenographic engagement to the foreground of the text reflecting the spatial turn in theory and practice In production this spatiality has renewed and enlivened the status and impact of text based theatre Theatre studies needs to better describe the artfulness of contemporary text based theatre bringing to it the

same sophisticated lenses scholars and critics have used for performance based theatre and other experimental theatre practices This Element does that by presenting the work of Caryl Churchill Naomi Iizuka and Sarah Ruhl as exemplary of the way text based theatre both its scripts and productions now creates and expects a spatialized imaginary and demonstrates the potentials of text based theatre in an increasingly visual and spatial field of cultural production

Writing, Authorship and Photography in British Literary Culture, 1880 - 1920 Emily Ennis, 2022-03-24 At the turn of the 20th century printing and photographic technologies evolved rapidly leading to the birth of mass media and the rise of the amateur photographer Demonstrating how this development happened symbiotically with great changes in the shape of British literature Writing Authorship and Photography in British Literary Culture 1880 1920 explores this co evolution showing that as both writing and photography became tools of mass dissemination literary writers were forced to re evaluate their professional and personal identities Focusing on four key authors Thomas Hardy Bram Stoker Joseph Conrad and Virginia Woolf each of which had their own private and professional connections to photographs this book offers valuable historical contexts for contemporary cultural developments and anxieties At first establishing the authors response to developing technologies through their non fiction personal correspondences and working drafts Ennis moves on to examine how their perceptions of photography extend into their major works of fiction A Laodicean Dracula The Secret Agent The Inheritors and The Voyage Out Reflecting on the first graphic revolution in a world where text and image are now reproduced digitally and circulated en masse and online Ennis redirects our attention to when image and text appeared alongside each other for the first time and the crises this sparked for authors how they would respond to increasingly photographic depictions of everyday life and in turn how their writing adapted to a distinctly visual mass media
