Writing With An Accent Contemporary Italian American Women Authors:

Writing with an Accent Edvige Giunta, 2002 Mary Cappello Louise DeSalvo Sandra M Gilbert Maria Mazziotti Gillan Carole Maso Agnes Rossi These are some of the best known Italian American writers today They are part of a literary tradition with mid twentieth century roots that began to develop in earnest in the late 1970s and early 1980s During those decades a number of Italian American women such as Helen Barolini began to publish books that depicted their perspectives on life through the critical lenses of gender class and ethnicity At the end of the twentieth century this literature finally blossomed into a fully fledged cultural movement that also took into account issues of sexuality age illness and familial and societal abuse *Writing with an Accent* takes a look at this vibrant literary movement by discussing those first writers of the 1970s and 1980s as well as later authors At the center of Edvige Giunta's *Writing with an Accent* is the literal notion of accent the marker of linguistic and cultural difference that separates and identifies recent immigrants to the United States In this study an accent symbolically embodies the differences and creative strategies through which contemporary Italian American women writers engage Italian American culture in works of fiction poetry and memoir Giunta also looks at the links between the literature and art music film and video produced by contemporary Italian American women The literature of the Italian American women in *Writing with an Accent* is shaped by the complicated connections these authors maintain with their cultural origins but also and perhaps more importantly by their feminist consciousness and politicized sense of ethnic identity *Writing with an Accent* celebrates and explores a group of authors who characteristically mix the joy and pain of Italian American life to paint a multifaceted picture of Italian American women and their complex place in U S culture

Italian American Poetics of Place Sabrina Vellucci, 2024-11-19 This volume examines the significance of place in contemporary Italian American literature from an ecocritical perspective It fills a gap in the theoretical discourse on Italian American culture whose concerns about environmental justice have been mostly overlooked From mid twentieth century poets such as John Ciardi and Diane di Prima to late twentieth and twenty first century fiction writers such as Carole Maso and Salvatore Scibona the study combines Italian American literary criticism with the spatial turn that over the last decades has asserted the interpretive significance of place and the environment in literary texts Questioning the prejudice that sees Italian American culture as detached from ecological issues these works show that such diasporic heritage has helped forge different modes of relationship and new forms of expression in contact with the American land Their relevance lies not so much in defining or redefining Italian American ethnicity but in forging ideas and futures beyond their immediate framework and subject matter By focusing on the intersection of gender and ethnicity with local and transnational spaces and aesthetic practices *Italian American Poetics of Place* contributes to the growing field of inquiry that explores the resources of the literary in laying the basis for more dialogic and inclusive forms of awareness and community with both the human and other than human

Italian American Women, Food, and Identity Andrea L. Dottolo, Carol Dottolo, 2018-03-02 This book is about

Italian American women food identity and our stories at the table This mother daughter research team explores how Italian American working class women from Syracuse New York use food as a symbol and vehicle which carries multiple meanings In these narratives food represents home loss and longing Food also stands in for race class gender sexuality immigration region place and space The authors highlight how food is about family and tradition as well as choice and change These women s narratives reveal that food is related to celebration love power and shame As this study centers on the intergenerational transmission of culture the authors relationship mirrors these questions as they contend with their similar and disparate experiences and relationships with Italian American identity and food The authors use the recipe as a conversational bridge to elicit narratives about identity and the self They also encourage readers to listen closely to the stories at their own tables to consider how recipes and food are a way for us to claim who we are who we think we are who we want to be and who we are not

Buried Caesars, and Other Secrets of Italian American Writing Robert

Viscusi,2012-02-01 Winner of the 2006 Pietro Di Donato and John Fante Literary Award from The Grand Lodge of the Sons of Italy New York State Robert Viscusi takes a comprehensive look at Italian American writing by exploring the connections between language and culture in Italian American experience and major literary texts Italian immigrants Viscusi argues considered even their English to be a dialect of Italian and therefore attempted to create an American English fully reflective of their historical social and cultural positions This approach allows us to see Italian American purposes as profoundly situated in relation not only to American language and culture but also to Italian nationalist narratives in literary history as well as linguistic practice Viscusi also situates Italian American writing within the eccentric design of American literature and uses a multidisciplinary approach to read not only novels and poems but also houses maps processions videos and other artifacts as texts

Teaching Italian American Literature, Film, and Popular Culture Edvige Giunta,Kathleen Zamboni

McCormick,2010-01-01 Italian American studies has long been in conversation with American culture at large and is increasingly present in American universities and colleges Yet once celebrated works such as Pietro di Donato s Christ in Concrete have slipped from the public consciousness and many scholars fear that representations of Italian Americans in popular culture as in The Godfather films and the television series The Sopranos have obscured genuine historical inquiry and understanding This volume aims to foster a deeper and more complex appreciation for the importance of Italian American texts in the study of American culture The editors open the volume by outlining the history of Italians in the United States and exploring the potential of literature and the arts to enable the recovery of a forgotten even repressed historical past Over thirty scholars and teachers then present innovative ways of teaching Italian American texts and integrating them with other texts in courses ranging from American literature and history to multiethnic and women s studies Contributors discuss Italian American fiction poetry memoir oral history and theater and performance A section on film and television provides an overview of popular as well as lesser known works and interrogates the stereotyped portrayals of Italian

Americans Other contributors offer historical and interdisciplinary approaches to Italian American texts that revolve around themes of race and gender politics work and social class and historical intersections The volume concludes with a review of anthologies that can be used in teaching Italian American studies **Transculturating Auto/Biography** Rosalia

Baena,2013-10-18 Rosalia Baena's theoretically challenging analytical volume of essays explores the diversity of shapes that transcultural life writing takes demonstrating how it has become one of the most dynamic and productive literary forms of self inscription and self representation Expanding much of the contemporary criticism on life writing which tends to centre on content the essays highlight that reading contemporary forms of life writing from a literary perspective is a rich field of critical intervention that has been overlooked because of recent cultural studies concerns with material issues To read life writing as primarily cultural texts undercuts much of its value as a complex dynamic of cultural production where aesthetic concerns and the choice and manipulation of form serve as signifying aspects to experiences and subjectivities This book was previously published as a special issue of *Prose Studies* **Personal Effects** Nancy Caronia,Edvige Giunta,2014-10-15

Celebrating one of the most important Italian American female authors of our time *Personal Effects* offers a lucid view of Louise DeSalvo as a writer who has produced a vast and provocative body of memoir writing a scholar who has enriched our understanding of Virginia Woolf and a teacher who has transformed countless lives More than an anthology *Personal Effects* represents an author case study and an example for modern Italian American interdisciplinary scholarship *Personal Effects* examines DeSalvo's memoirs as works that push the boundaries of the most controversial genre of the past few decades In these works the author fearlessly explores issues such as immigration domesticity war adultery illness mental health sexuality the environment and trauma through the lens of gender ethnic and working class identity Alongside her groundbreaking scholarship DeSalvo's memoirs attest to the power and influence of this feminist Italian American writer

The Milk of Almonds Louise A. DeSalvo,Edvige Giunta,2003-08 Often sentimentalized as nurturing through food Italian American women have continually struggled against this stereotype to speak of the realities of their lives In *The Milk of Almonds* more than 50 writers speak in voices that are loud boisterous sweet savvy and often subversively comical Drawing on personal and cultural memory rooted in experiences of food here Italian American women dissolve conventional images replacing them with a sumptuous communal feast of poetry stories and memoir Though they begin with food the writers in this collection quickly carry the reader into unexpected terrain as they bear witness to experiences often considered unspeakable A deeply satisfying literary banquet *The Milk of Almonds* is an unprecedented collection amply revising all received notions of what it means to be an Italian American woman Book jacket **Leaving Little Italy** Fred L.

Gardaphé,2012-02-01 *Leaving Little Italy* explores the various forces that have shaped and continue to mold Italian American culture Early chapters offer a historical survey of major developments in Italian American culture from the early mass immigration period to the present day situating these developments within the larger framework of American culture as a

whole Subsequent chapters examine particular works of Italian American literature and film from a variety of perspectives including literary history gender social class autobiography and race Paying particular attention to how the individual artist s personality has intersected with community in the shaping of Italian American culture the book reveals how and why Italian America was invented and why Little Italys must ultimately disappear *The Lost World of Italian American Radicalism* Philip V. Cannistraro, Gerald Meyer, 2003-12-30 Radicalism had a powerful but largely unacknowledged influence in the Italian American community This study brings together 16 selections that restore to Italian American history the radical experience that has long remained suppressed but that nevertheless helped shape both the Italian American community and the American left The detailed introduction by the volume editors interprets the overall history of Italian American radicalism and offers extensive bibliographical references on the topic which the volume editors organize into three sections labor politics and culture A concluding selection relates the radicalism of Italian Americans to that in other Italian immigrant communities In the section on labor Rudolph Vecoli among others traces the rise and decline of radicalism within the Italian American working class and Jennifer Guglielmo breaks new ground in uncovering the involvement of Italian American women in the radical movements In politics Paul Avrich unveils the violent reaction of anarchists in the United States to the execution of Sacco and Vanzetti and Jackie DiSalvo identifies Father James Groppi as the most important white leader in the Civil Rights movement On culture Julia Lisella Mary Jo Bono and Edvige Giunta present pioneering interpretive studies on the work of Italian American women in literature **Forum Italicum** ,2005 Forum Italicum is a journal of Italian Studies founded by M Ricciardelli in 1967 The journal is intended as a meeting place where scholars critics and teachers can present their views on the literature language and culture of Italy and other countries in relation to Italy Young and hitherto unpublished scholars are encouraged to contribute their critical works **The Greenwood Encyclopedia of Multiethnic American Literature: N - S** Emmanuel Sampath Nelson, 2005 Alphabetically arranged entries in five chronological volumes focus on individual authors works and topics related to multiethnic American literature *Italian/American Filmmakers in American Motion Pictures* Jonathan J.
