King,2011-06-24 Imagine setting out on a journey of self discovery with the idea of being alone and unknown Then imagine having a serendipitous encounter with someone who makes you feel more recognized than ever before and subsequently indirectly falling in love with that person What does one do now with such an unexpected phenomenon This is the challenge that awaited Kris as he set out backpacking through Canada to at least for a moment steer away from the land where popularity and likeness and having a job with a pension often overshadows substance and meaning As Kris put it All my success and adulation past or present that I've received of it all there was simply nothing I could hang my happy hat on It just didn't feel true anymore So with the intent of finally facing his destiny the inevitable prerequisite of facing loneliness and solitude in order to get the signal clear Kris decides to travel into unfamiliar territory during which he faces shocking realizations about himself All of his hardships inevitably cycle back to a tireless effort to seek out that one special someone that he'd had his chance encounter with Kassie The problem is he never got any contact information not even a last name Yes the journey back to love can sometimes be direct and indirect simultaneously while never really knowing the true target

Generation X Professors Speak Elwood Watson,2013-03-22 While the Baby Boomer generation has consistently commanded widespread attention both scholarly and popular little has been written about Generation X the 46 million Americans born between the mid 1960s and late 1970s But with Baby Boomers now moving into retirement members of Generation X have come to the forefront of American society Consequently understanding Generation X and the potential impact of the independent sometimes rebellious spirit that characterizes it is critical In *Generation X Professors Speak* Voices from Academia Elwood Watson has assembled a unique collection of thematically arranged essays by academics that offers insights into the issues conflicts and triumphs that epitomize this often overlooked generation One essayist writes about her determination to achieve her career goals without sacrificing time with her family while another speaks about being a stay at home dad and teaching part time at a university Another essay covers disabilities depression and mental illness pointing to the sympathetic approach Gen Xers tend to take toward individuals often marginalized by society The acceptance of interracial marriage on the part of members of Generation X is engagingly presented by an ivy league educated white man married to a woman of African descent And the role religion plays in the lives of Gen Xers is movingly expressed by an essayist whose commitment to his spiritual faith have allowed him to combat racial social family personal and academic issues These and the other essays in this collection passionately and sometime provocatively cover topics ranging from career class family life health music and physical disabilities to race religion and sexuality Together the essays define the characteristics and demonstrate the diversity of Generation X and will appeal to scholars students and others interested in social history psychology gender studies and popular culture **Sport and Social Media in Business and Society**

Hockey Fight in Canada David Shoalts,2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers s bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When Rogers sealed the 5.2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers s broadcasts in the process In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015-16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey Fight in Canada details every fascinating play in this intersection of sports and business **The Big Book of Hockey Facts**
