X Marks The Spot Treasure Island Cracked Classics 5:

"Throw the book away" Amie A. Doughty, 2013-05-11 Children's literature is an excellent way to educate children on everything from social behavior and beliefs to attitudes toward education itself. A major aspect of children's literature is the importance of books and reading. Books represent adult authority. This book examines the role that books reading and writing play in children's fantasy fiction from books that act as artifacts of power *The Abhorsen Trilogy* *The Spiderwick Chronicles* *Harry Potter* to interactive books *The Neverending Story* *Malice Inkheart* to books with character writers *Percy Jackson* *Captain Underpants*. The author finds that although books and reading often play a prominent role in fantasy for children, the majority of young protagonists gain self-sufficiency not by reading but specifically by moving beyond books and reading. **X Marks The Spot** Tony Abbott, 2002-01-01 Tony Abbott adds humor and wacky antics to the familiar classics we know and love by catapulting two unlikely heroes into known story lines and making classic literature accessible and fun. The sixth-grade characters Frankie and Devin bring these time-tested stories into the world of today's kids while encouraging readers to reach for the original books. Frankie and Devin find themselves on the treasure hunt of a lifetime when the library zapper gates send them to Treasure Island. They team up with young Jim Hawkins in a race for secretly stashed pirate gold. But they'll have to battle it out first against the infamous Long John Silver and his deadly buccaneers. **Forthcoming Books** Rose Army, 2003-04 **X Marks the Spot** Tony Abbott, 2014-07-01 Two sixth graders are magically swept away to Treasure Island where they must match wits with legendary pirate Long John Silver. When best friends Devin and Frankie short for Francine get a tough assignment in their English class, they know there's only one way to handle it: Read the book. Nah, that's for suckers. Devin and Frankie just take the novel to the library and toss it through the magic metal detector which sucks them into the world of the book, allowing them to experience the novel firsthand. Most of the time this works great. This time they get marooned on Treasure Island. The moment they step into Robert Louis Stevenson's classic pirate novel *Devin and Frankie* find themselves neck deep in a hunt for buried treasure along with Long John Silver and his gang of cutthroats. These two wisecracking slackers will need to avoid rocking the boat or they may have to walk the plank. *School Library Journal* has called the Devin and Frankie novels reminiscent of Mary Pope Osborne's *Magic Tree House* series but for an older audience. **X Marks the Spot** is another lively introduction to the classics for reluctant readers. **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 *The Publishers' Trade List Annual*, 1995 *The DVD-laser Disc Newsletter*, 2003 **Whitaker's Cumulative Book List**, 1940 **The Advocate**, 2003-09-16 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States. **AB Bookman's Weekly**, 1997 *The Video Source Book* David J.
