Schuler,2017-11-14 I ve watched men change from confident decisive and action oriented lions to second guessing scared of their shadows don t rock the boat mice They don t feel confident in relationships work environments or anywhere Men are either looking for something or running from something maybe it s a bit of both Well it s time to stop running It s time to MAN UP to face the real issues Being a real man is about being true to yourself first It means finding strength from living authentically and then sharing that strength with others Being a real man means understanding who you are and how to influence the world for the better A real man is an asset to those around him He doesn t have to take charge but he leads the charge and people want to join in A real man draws people in In fact he is completely irresistible Men may feel like they have lost the permission they once had to be men but I m here to tell you that you don t need permission You don t need anyone authorizing you to be who you were meant to be It s time to stop trying to please everyone else It s time to stop apologizing for thinking like a man acting like a man and being a man It s time to MAN UP
