Xavier A British Secret Agent With The French Resistance:

Xavier Richard Heslop, 2014-07-08 Colnel Richard Heslop alias Xavier was one of Britain's Greatest Special Operations agents in France Ingeniously orchestrating resistance groups and ruthlessly sabotaging German operations Xavier played a crucial role in Allied espionage during the war from late 1942 right through to D Day Sent to France in the middle of the conflict he delicately balanced clandestine missions and dangerous wartime operations on a daily basis yet his name barely gets a mention in the accounts of the Special Operations Executive SOE making this insight all the more fascinating It is clear that Xavier's role was like no other it was a job that involved frequent encounters with the terrifying possibilities of capture torture and death it was a job where a careless whisper could deliver a man into the hands of the Gestapo and it was a job that involved acts of sabotage espionage theft and sometimes even murder Xavier is a dramatic and compelling account of courage and endurance in the face of a merciless enemy the true story of one of Britain's greatest secret agents
