Unlikely Friendships 47 Remarkable Stories From The Animal Kingdom:

Unlikely Friendships Jennifer S. Holland, 2011-06-15 The irresistible New York Times bestseller that features heartwarming stories of interspecies love and adorable photographs The New York Times Book Review Written by National Geographic magazine writer Jennifer Holland Unlikely Friendships documents one heartwarming tale after another of animals who with nothing else in common bond in the most unexpected ways A cat and a bird A mare and a fawn An elephant and a sheep A snake and a hamster The well documented stories of Koko the gorilla and All Ball the kitten and the hippo Owen and the tortoise Mzee And almost inexplicable stories of predators befriending prey an Indian leopard slips into a village every night to sleep with a calf A lioness mothers a baby oryx Holland narrates the details and arc of each story and offers insights into why how the young leopard probably motherless sought maternal comfort with the calf and how a baby oryx inspired the same mothering instinct in the lioness Or in the story of Cashew the lab mix that was losing his eyesight and Libby the stray cat who began to guide the dog s way through the house and yard With Libby Cashew lived out his last few years with loving support and a lasting friendship These are the most amazing friendships between species collected from around the world and documented in a selection of full color candid photographs The feel good book of the summer maybe the year may very well be Unlikely Friendships USA Today With aww inducing photographs the book highlights the most improbable animal connections National Geographic *Unlikely Friendships* ,2011 The Emotional Lives of Animals Marc Bekoff, 2024-04-09 A seminal exploration of animal emotion sentience and cognition revised and expanded to incorporate a surge of new science When award winning scientist Marc Bekoff penned the first edition of this book in 2007 he predicted that over time our understanding of animal cognition and emotion would grow richer more accurate and possibly different Since then not only has the field seen an explosion of new and startling research but the popular interest in the subject has grown as well spawning countless podcasts articles and bestselling books Bekoff skillfully blends extraordinary stories of animal joy empathy grief embarrassment anger and love with the latest scientific research confirming the existence of emotions that common sense and experience have long implied Filled with light humor and compassion The Emotional Lives of Animals is a clarion call for reassessing both how we view and how we treat animals

Introducing Communication Amardo Rodriguez, 2020-01-29 The study of communication deepens our understanding of the human condition enlarges how we frame and resolve human problems and struggles and allows us to appreciate the different perspectives that communication brings to the study of the human experience *Introducing Communication* provides an overview of eight different communication perspectives and explores important concepts from around the world highlighting the consequences and implications that come with diverse ways of defining understanding and studying communication Featuring discussions on issues and challenges associated with mass globalization and new technologies this smart and sophisticated text encourages students to reflect on how these consequences and implications come to bear on

how we live and communicate

Introducing Communication is ideally suited for instructors who teach introductory communication courses and are seeking a text that is theoretically rigorous intellectually expansive and pedagogically elegant

Supporting Pet Owners Through Grief Ryane E. Englar, Jill Englar, Teresa Graham Brett, 2023-10-31 An empathic and emotional exploration of the inevitable subject of grief that veterinarians will regularly encounter throughout their relationships with clients on their journey through the care and management of animal patients The authors take an informed and supportive look at the philosophical and psychological impacts of grief emphasizing the individual experiences of clients while also addressing the impacts on the veterinarian and veterinary team Chapters cover the importance of the human animal bond unique circumstances relating to grief practical tool kit approaches that help the vet work alongside the client in a way that is supportive and practically helpful self management resources for a veterinary centric view of managing the process of euthanasia death and grief Supporting Pet Owners Through Grief provides practitioners and students alike with tools to better understand grief and its impact on the human animal bond Veterinary team members will also learn how to navigate their own mix of emotions as they themselves experience and process recurrent grief that can contribute to compassion fatigue and burnout 5m Books

Animal Ethics and Philosophy Elisa Aaltola, John Hadley, 2014-11-24 Debate in animal ethics needs reenergizing To date philosophers have focused on a relatively limited number of specific themes whilst leaving metaphilosophical issues that require urgent attention largely unexamined This timely collection of essays brings together new theory and critical perspectives on key topics in animal ethics foregrounding questions relating to moral status moral epistemology and moral psychology Is an individualistic approach based upon capacities the best way to ground the moral status of non human animals or should philosophers pursue relational perspectives What does it mean to know animals and speak for them What is the role of emotions such as disgust empathy and love in animal ethics and how does emotion inform the rationalism inherent in analytic animal ethics theory The collection aims to broaden the scope of animal ethics rendering it more inclusive of important contemporary philosophical themes and pushing the discipline in new directions

Dog Smart Jennifer S. Holland, 2024-05-21 This cutting edge science narrative chock full of heartwarming case studies is one woman's quest to learn the true meaning of dog intelligence This delightful narrative takes readers on a powerful search to unlock the secrets of dog cognition based on evidence from trainers owners behaviorists and the animals themselves With in depth reporting and more than a few personal adventures bestselling author Jennifer S Holland digs into what intelligence really means Readers will meet a pack of genius dogs each of whom embodies a particular kind of smarts Holland spends time with Cat Warren who trains cadaver dogs to learn about nose intelligence To unpack emotional intelligence she examines an unlikely dog friendship to unpack task learning ability she seeks out an agility trainer She interviews police dog trainers volunteering to be attacked by one in the name of science service dog trainers and trainers who rehabilitates bad dogs And she gets to know breeds that are considered especially intelligent border collies cattle dogs and German shepherds

to discover whether they are truly smarter or just more in tune with humans In between field experiences Holland spends time with dogs in a variety of settings a rescue center a dog park a boarding facility while pondering the lessons they teach us about ourselves And she ll pose entrancing philosophical questions How do we define intelligence in another being Where do instinct and intelligence meet and diverge Both surprising and heartwarming this book is one woman s quest to understand the world s smartest dogs and how they got that way **Law and New Media** Delage Christian

Delage,2019-05-03 Will social media lead to social law The force of legal remediation Virtual courts and online judges Paperless trials Electronic discovery All of these novel legal developments impact how we conceive of the practice of law Here international specialists from new and established domains of law media film and virtual studies address the emergence of the jurist in the era of digital transmission From the cinema of the early 20th century to social media this volume explores the multiple intersections of these visual technologies and the law from the theoretical insight they generate to the nature of law to the impact they have on doctrinal development *Unlikely Loves* Jennifer S. Holland,2013-10-08 A heart warming celebration of love between species from the New York Times bestselling author of *Unlikely Friendships* In her inspiring New York Times bestseller *Unlikely Friendships* Jennifer Holland introduced us to the heartwarming relationships that exist between animals of different species Her stories struck a chord with thousands of readers including Temple Grandin who described the book as amazing Now Holland explores animal attachments that in human terms can only be called love Packed with beautiful breathtaking full color photographs *Unlikely Loves* is a celebration of love between species Here are stories of parental love like the Dalmatian who mothers a newborn lamb a lamb that just happens to be white with black spots Stories of playful love including the fox and the hound who become inseparable And stories of orphaned animals who have found family like ties in unexpected combinations like the elephant who s bonded with sea lions goats and other animals in her walks around the Oregon Zoo Ms Holland has interviewed scientists zoologists and animal caretakers from around the world tracking down firsthand sources and eyewitnesses The stories are written with journalistic integrity and detail and always filled with the author s deep affection for her subjects Talking Book Topics ,2012 *Unlikely Heroes* Jennifer S. Holland,2014-10-07 In her heartwarming New York Times bestsellers *Unlikely Friendships* and last year s *Unlikely Loves* Jennifer Holland revealed the surprising emotional bonds that exist between animals of different species Her books spent dozens of weeks on bestseller lists and caught the attention of major media from CBS This Morning to USA Today Why Because she opened our eyes to the rich inner lives of animals showing us that the power of love and friendship is not for humans only In *Unlikely Heroes* Ms Holland uncovers and celebrates yet another side of animals that we often think belongs primarily to people heroism that indefinable quality of going above and beyond often for altruistic reasons often at great personal risk These 37 inspiring true tales show animals whose quick acts have saved lives like the pod of dolphins who protected swimmers in New Zealand from a great white shark by forming a screen around them There are stories of animals

who simply and unselfishly give like Rojo the llama who shines his very special light of lovingkindness on the elderly patients in an Oregon rehab center And there are compelling stories of heroic resilience like Naki o the abandoned puppy who lost all four paws to frostbite but found the grit not only to overcome that terrible hardship but to reclaim the joy of life that s him smiling on the cover of the book
