Unlocking Horns Forgiveness And Reconciliation In Burundi:

Unlocking Horns David Niyonzima, Len Fendall, 2001 *Breaking Intergenerational Cycles of Repetition* Pumla Gobodo-Madikizela, 2016-01-18 The authors in this volume explore the interconnected issues of intergenerational trauma and traumatic memory in societies with a history of collective violence across the globe Each chapter s discussion offers a critical reflection on historical trauma and its repercussions and how memory can be used as a basis for dialogue and transformation The perspectives include among others the healing journey of three generations of a family of Holocaust survivors and their dialogue with third generation German students over time traumatic memories of the British concentration camps in South Africa reparations and reconciliation in the context of the historical trauma of Aboriginal Australians and the use of the arts as a strategy of dialogue and transformation *Pursuing Just Peace: An Overview and Case Studies for Faith-Based Peacebuilders* Mark M. Rogers, Tom Bamat, Julie Ideh, 2008-03-24 This book on faith based peacebuilding is a practical resource for peacebuilding practitioners and all others who are grappling with injustice and conflict Seven case studies describe concrete initiatives within highly diverse contexts Three case studies focus on strengthening internal church peacebuilding capacity through peace education one looks at the role of alliances and networks in advocacy for addressing gender based violence and three focus on ecumenical and inter religious collaboration An introductory essay provides a general overview and literature review for faith based peacebuilding discusses processes and describes key roles that faith based actors can play ***The Tears of a Man Flow Inward*** Pacifique Irankunda, 2022-03-29 A prizewinning young author tells the moving story of growing up during Burundi s ethnic civil war in this powerful memoir hailed as a jewel of a book Margaret MacMillan There s nothing like a great love song and Pacifique Irankunda sings a beautiful one here to his homeland and to all those who choose love even in the bleakest of times Imbolo Mbue author of *Behold the Dreamers* and *How Beautiful We Were* Pacifique Irankunda s childhood in Burundi was marked by a thirteen year civil war a grueling struggle that destroyed his home upended his family and devastated his country s beautiful culture As young boys Paci and his brother slept in the woods on nights when the shooting and violence grew too intense they hid in tall grass and watched as military units rolled in and leveled their village Paci s extraordinary mother one of the many inspiring beacons of light in this book led her children and others in the village in ingenious acts of resilience through her indomitable kindness and compassion even toward the soldiers who threatened their lives Drawing on his own memories and those of his family Paci tells a story of survival in a country whose rich traditions were lost to the ravages of colonialism and ethnic strife Written in moving lyrical prose *The Tears of a Man Flow Inward* gives us an illuminating window into what it means to come of age in dark times and an example of how even in the midst of uncertainty violence and despair light can almost always be found *Social Work Practice in Africa* M. Twikirize, Helmut Spitzer, 2019-01-10 The importance of integrating indigenous knowledge systems into mainstream social work and ensuring context specific culturally relevant practice has long been

emphasised in Africa and the Global South This book based on empirical research presents a selection of indigenous and innovative models and approaches of problem solving that will inspire social work practice and education At the core of these models lies a conceptual understanding of the community as the overarching principle for effective social work and social development in African contexts The empirical part of the book has a focus on East Africa and highlights case examples from Rwanda Tanzania Uganda Burundi and Kenya The book is intended for use by those involved in social work and social development practice social work educators students as well as policy makers It is relevant not just for audiences in Africa but also the global social work community especially those interested in promoting culturally relevant social work God and Creation Rodney L. Reed, David K. Ngaruiya, 2019-12-31 This collection of essays the product of the 8th annual conference of the Africa Society of Evangelical Theology wrestles with the topics of God and creation from distinctly African perspectives Touching on topics from environmentalism to ethnic conflict to childlessness the contributors present a powerful and timely reflection on the nature of God as creator and the implications of that identity on our relationship with the divine with the earth and with each other Highlighting the rich wisdom of African voices this book explores the particularities and complexities of an African cultural context while presenting biblical truth that extends beyond geographical limits Anyone interested in thinking theologically about our role in the universe God has made or what African culture in dialogue with Scripture has to teach us will find this book to be an invaluable resource **Historical Dictionary of the Friends (Quakers)** Margery Post Abbott, 2012 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful *The Quaker World* C. Wess Daniels, Rhianon Grant, 2022-11-04 The Quaker World is an outstanding comprehensive and lively introduction to this complex Christian denomination Exploring the global reach of the Quaker community the book begins with a discussion of the living community

as it is now in all its diversity and complexity The book covers well known areas of Quaker development such as the formation of Liberal Quakerism in North America alongside topics which have received much less scholarly attention in the past such as the history of Quakers in Bolivia and the spread of Quakerism in Western Kenya It includes over sixty chapters by a distinguished international and interdisciplinary team of contributors and is organised into three clear parts Global Quakerism Spirituality Embodiment Within these sections key themes are examined including global Quaker activity significant Quaker movements biographies of key religious figures important organisations pacifism politics the abolition of slavery education industry human rights racism refugees gender disability sexuality and environmentalism The Quaker World provides an authoritative and accessible source of information on all topics important to Quaker Studies As such it is essential reading for students studying world religions Christianity and comparative religion and it will also be of interest to those in related fields such as sociology political science anthropology and ethics [Peace Team News](#) ,1996

Integrated Peacebuilding Craig Zelizer,2018-04-19 Integrated Peacebuilding addresses the importance of weaving peacebuilding methods into diverse sectors including development humanitarian assistance gender business media health and the environment areas where such work is needed the most Incorporating peacebuilding approaches in these fields is critical for transforming today s protracted conflicts into tomorrow s sustainable peace Covering both theory and practice Dr Zelizer and his team of leading academics and practitioners present original essays discussing the infrastructure of the peacebuilding field outlining key actors donors and underlying motivations as well as the ethical dilemmas created by modern conflict Exploring both the challenges and lessons to be found in this emerging field Integrated Peacebuilding is perfect for courses on peacebuilding conflict resolution international development and related fields **The Oxford**
