Unlocking Your Dreams Student Manual:

Introduction to Family History Student Manual , Religion 261 Introduction to Family History is a one semester course in which you will learn gospel doctrines and principles essential to the work of redeeming the dead and how to find information about your ancestors that is needed to perform saving ordinances for them The Lord has revealed that a great missionary effort is under way in the spirit world see D for if this were so this whole people with very few if any exceptions would lose all interest in the riches of the world and instead thereof their whole desires and labors would be directed to redeem their dead to perform faithfully the work and mission given us on earth so that when we ourselves should pass behind the veil and meet with Joseph and the ancient apostles and others who are watching over us and who are deeply interested in our labors we might feel satisfied in having done our duty The Discourses of Wilford Woodruff ed G Homer Durham 1946 152

The Psychic's Handbook Julie Soskin, 2012-01-01 Once the seer the priestess and the sage were revered by their community Their roles were considered sacred the practising of an art requiring training and experience like any other art All these individuals tuned into their psycho spiritual powers on our behalf But each of us has always had the ability to draw upon these powers directly inside ourselves This book shows us not only how to exploit our psycho spiritual potential it also shows us how to navigate the different realms of inner experience that are our birthright Psycho spiritual powers can take time and expertise to discern especially for the novice How do we know what we are dealing with Does the information made available to us derive from the subtle energies around the body or does it come from some discarnate being Or perhaps from an alter ego the personification of hopes and fears from aspects of our projected selves This book is drawn from research and first hand experience from thousands of consultations and teaching sessions over many years In addition the author at the end of each chapter uses anecdotes to illustrate and enlighten the reader and these are sometimes humorous sometimes sad sometimes philosophical and always true Well implemented psychic and intuitive guidance can help to move the individual towards wholeness a new dawn based on working with the heart and the energy of unconditional love This in turn radiates out to affect the whole of our society Psycho spiritual powers enlarge our lives beyond measure Julie is preparing those who choose to raise their consciousness and see beyond the immediate The late Eileen Caddy author and co founder of the Findhorn Foundation
