Peace Corps and Citizen Diplomacy Stephen M. Magu, 2018-03-13 For over 50 years more than 225 000 Peace Corps volunteers have been placed in over 140 countries around the world with the goals of helping the recipient countries need for trained men and women to promote a better understanding of Americans for the foreign nationals and to promote a better understanding of other peoples on the part of Americans The Peace Corps program proposed during a 2 a m campaign stop on October 14 1960 by America s Camelot was part idealism part belief that the United States could help Global South countries becoming independent At the height of the Cold War the US and USSR were racing each other to the moon missiles in Turkey and in Cuba and walls in Berlin consumed the archrivals sending American graduates to remote villages seemed ill informed Kennedy s Kiddie Korps was derided as ineffectual the volunteers accused of being CIA spies and often their work made no sense to locals The program would fall victim to the vagaries of global geopolitics in Peru Yawar Malku Blood of the Condor depicting American activities in the country led to volunteers being bundled out unceremoniously in Tanzania they were excluded over Tanzania s objection to the Vietnam War Despite these challenges the Peace Corps program shaped newly independent countries in significant ways in Ethiopia they constituted half the secondary school teachers in 1961 in Tanzania they helped survey and build roads in Ghana and Nigeria they were integral in the education systems alongside other programs Even in the Philippines formerly a U S colony Peace Corps volunteers were welcomed Aside from these outcomes the program had a foreign policy component advancing U S interests in the recipient countries Data shows that countries receiving volunteers demonstrated congruence in foreign policy preferences with the U S shown by voting behavior at the United Nations a forum where countries actions and preferences and signaling is evident Volunteer recipient countries particularly voted with the U S on Key Votes Thus Peace Corps volunteers who function as citizen diplomats helped countries shape their foreign policy towards the U S demonstrating the viability of soft power in international relations **Peace Corps Volunteer Handbook** Peace Corps (U.S.). Office of Planning, Policy, and Analysis, 2006 **Peace Corps Handbook** Peace Corps (U.S.), 1988 Hearings United States. Congress. House, 1965 **Peace Corps Victim** Patrick Shea, 2024-05-17 Witness the harrowing true story of an idealistic American Volunteer who ventured into the heart of Eastern Europe with the honorable intention of serving in the United States Peace Corps What awaited him in the former Soviet Republic of Georgia was a nightmare difficult to comprehend Struggling to aid the people he came to help he found himself targeted by those he least expected nearly killed by locals assaulted by a fellow volunteer and ensnared in a web of psychological manipulation orchestrated by a Peace Corps Country Director with sinister ties to military intelligence and the CIA As he battled to uphold the values he believed in he encountered a shocking reality the Peace Corps an institution

revered for its humanitarian efforts was concealing a dark underbelly of corruption and negligence With courage and determination he embarked on a mission to expose the truth Witness the exposure of a Peace Corps Cover Up and the illegal activities conducted by the Peace Corps to silence victims Peace Corps Victim is a searing indictment of an organization meant to embody compassion and humanitarian aid revealing instead a culture of deceit and betrayal Denied the medical care he desperately needed abandoned by those entrusted with his well being he teetered on the brink of despair Through this courageous whistleblower s account witness the staggering cost of service in the Peace Corps a journey marred by deception manipulation and the relentless fight for justice This is the raw unfiltered truth behind the glossy facade a chilling warning to the international community and all volunteers that the Peace Corps abuses victims **Federal Public Records Law** United States.
