

UNSEEN POEM

Read the following extract and answer the questions that follow :

I do not understand this child
Though we have lived together now
In the same house for years. I know
Nothing of him, so try to build
up a relationship from how
He was when small.
Yet have I killed
The seed I spent or sown it where
The land is his and none of mine?
We speak like strangers, there's no sign
Of understanding in the air.
This child is built to my design
Yet what he loves I cannot share.
Silence surrounds us. I would have
Him prodigal, returning to
His father's house, the home he knew,
Rather than see him make and move
His world.

**Q1. On the basis of your understanding of the poem, answer the following questions:
(1X6=6)**

- 1.What does the father mean when he says, "I know nothing of him."?
- 2.What type of relation does the father want to build?
- 3.What do the 'seed' and 'land' stand for?
- 4.What does "silence surrounds us" mean?
5. Change the given sentence to Simple Past Tense:
Yet what he loves I cannot share.
6. Change the given sentence to Simple Future Tense:
Silence surrounds us.
