experience I asked my mom to lead me to the Lord at that time she was also having a revival of her own with the Lord Within a few days it was my birthday and my grandmother gave me a book about Smith Wigglesworth called The Secret of His Power This book so impacted me and set the course of my Christian life From many of the things I read about in Smith Wigglesworth s life God started talking to me more about what He wanted to do in my life The catch was that it wouldn t happen until later in my life A part of my preparation came in the form of quotes I wrote down and studied quotes from Smith Wigglesworth that highly impacted my life One of his famous quotes is I am not moved by what I see or hear but by what I believe If you know anything about Smith Wigglesworth you will find he came up with many powerful quotes He would say these one liners that could infuse faith in people What made them so impactful was the life he lived and the miracles God did through him As time passed one day God said to me Why don t you come up with your own quotes This was such a novel idea that I had never thought about What happened next was utterly amazing God started downloading me with quotes and I couldn t write them down fast enough Whenever the quote would come to me I would make sure not to lose it This went on for years and it still happens to me I believe I have somewhere around 1 500 quotes now and all of them came from God The closest person I can relate to is King Solomon When God gave King Solomon wisdom he wrote down over 3 000 Proverbs A quote is close to a proverb God gave me quotes like He gave King Solomon s proverbs I cannot take any credit for the quotes in the book I give God ALL the glory Whenever I go back over the quotes God gave me they continue to affect me profoundly History is filled with men and women of God legends and influential people who created and spoke inspirational quotes If you are going to do anything significant for God you will need to have your own set of quotes you live by You are affected by quotes more than you realize You can learn a lot about a person by the quotes they come up with or think about The greater the quotes a person thinks about the more success they will have You must create and live by motivational quotes to leave a lasting legacy In this book you will discover many life changing quotes designed to alter your Divine destiny when you live by them DISCOVER THE POWER OF MOTIVATIONAL QUOTES Great quotes can pack a lot of power in a time of need Profound quotes can alter your destiny by how it impacts you You can draw a lot of strength and wisdom from a great quote Sometimes all it takes is the perfect quote to get you to the next level Behind every legend is a stack of extraordinary and powerful quotes Never underestimate the effect a powerful quote can have on your life Ordinary people can become extraordinary once they choose to live by great quotes Visit www.VinceBakerMinistries.com VICTORY SUCCESS IS JUST A FEW QUOTES AWAY Blind Man's Bluff Ross S. The American Catholic Quarterly Review James Andrew Corcoran, Patrick John Ryan, Edmond Francis Prendergast, 1917 *Suggestive Thoughts on Religious Subjects* , 1881 **Worshippers' Masks: The Hidden Faces of Success** Onesimus Malatji, 2023

Worshippers Masks The Hidden Faces of Success is an intense and introspective journey into the heart of ambition and the steep cost of triumph The narrative follows a protagonist deeply committed to their quest for success navigating a treacherous world where admiration is intertwined with envy and support is often a facade for sabotage Set against the backdrop of a highly competitive environment be it the corporate world artistic circles or any realm where success is visibly rewarded and coveted the story delves into the complex dynamics of relationships shaped by the pursuit of excellence The protagonist encounters a variety of characters who embody the worshippers masks colleagues rivals friends and even family members who under the guise of support harbor resentment and destructive intentions The plot intricately weaves through experiences of deceit betrayal and moral dilemmas highlighting the protagonist s inner turmoil and resilience Key themes include the irony of adulation and jealousy the psychological battles behind apparent achievements and the resilience required to withstand the onslaught of hidden enemies Symbolism is a strong element in the narrative with masks mirrors and shadows representing the duplicity and hidden intentions of those surrounding the protagonist Dialogues and interactions are crafted to subtly reveal underlying tensions and conflicts adding layers of depth to character interactions As the story moves towards its climax a significant betrayal tests the protagonist s beliefs and resolve leading to a nuanced understanding of success and human nature The resolution is reflective possibly open ended leaving readers to ponder the nature of success the complexities of human relationships and the thin line between admiration and envy

Worshippers Masks The Hidden Faces of Success is not just a story about achieving greatness but also a profound exploration of the emotional and ethical landscapes navigated in the quest for such greatness It s a narrative that resonates with anyone who has ever strived for success only to find that the journey is as fraught with challenges as it is with triumphs
