Libresco, Jeannette Balantic, Mary Battenfeld, 2017-09-21 This book provides teachers librarians and education methods professors with strategies lesson plans and activities that enable them to use literature as a springboard to social studies thematic instruction With the amount of time and resources allocated to teaching social studies being significantly reduced social studies lessons need to be incorporated into other subjects Notable Books Notable Lessons Putting Social Studies Back in the K 8 Curriculum offers the tools to teach students social studies concepts that are increasingly relevant and essential in today's diverse globalized world lessons that are vital in order to prepare students to think critically and participate in our multicultural democracy Providing information that elementary and middle school teachers and librarians district level curriculum directors and principals staff developers and social studies and literacy methods professors will find extremely useful this book uses the National Council

for the Social Studies NCSS Children's Book Council CBC's current and past lists of Notable Books at the elementary and middle school levels to offer easy to follow lesson plans that integrate social studies instruction with reading and language arts. The lesson plans pose compelling questions to facilitate discussion and critical thinking and suggest engaging activities that are connected to the social studies concepts. The book also includes sample student handouts for the selected pieces of literature.

**Teaching Evidence-Based Writing: Nonfiction** Leslie Blauman, 2016-10-14. At heart, learning to read and write analytically is learning to think well. For Evidence Based Writing Nonfiction, renowned teacher Leslie Blauman combed the standards and her classroom bookshelves to craft lessons that use the best nonfiction picture books, biographies, and article excerpts to make writing about reading a clear, concrete process. Students learn to analyze and cite evidence about main idea, point of view, visuals, and words and structure. And best of all, your students gain a confidence in responding to complex texts and ideas that will serve them well in school, on tests, and in any situation when they are asked, "What are you basing that on? Show me how you know."

**Jane Goodall: Revolutionary Primatologist and Anthropologist** Lois Sepahban, 2015-08-01. This title is a brief yet informative biography on Jane Goodall. Readers will learn about Goodall's early life, personal life, and all about her contributions to science: the study of chimpanzees, conservation, and both human and animal welfare. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

*Literacy and Learning in the Content Areas* Sharon Kane, 2025-04-23. The fifth edition of *Literacy and Learning in the Content Areas: Enhancing Knowledge in the Disciplines* provides readers with the knowledge, motivation, tools, and confidence for integrating literacy in their disciplinary classrooms. Offering a literature-based approach to teaching disciplinary literacy, the new edition shares important ways in which teachers of courses in the disciplines can enhance student learning of subject matter and skills while also fostering their growth in the many facets of literacy. Throughout each chapter, Kane provides engaging and creative strategies and activities to make literacy come alive in discipline-specific courses and to encourage students to explore and learn in the classroom. Embedded in each chapter are examples, resources, and strategies to help readers actively engage with and implement literacy practices. These features include Teaching in Action examples by subject area, Activating Prior Knowledge activities to stimulate critical thinking to prepare readers to learn complex theoretical and conceptual material about teaching, learning, and literacy, and end of chapter Application Activities to apply field experiences to classroom use. New to the Fifth Edition: Every chapter of this new edition is updated to reflect the current approaches, standards, and benchmarks for discipline-specific literacy. A new introduction with reading activities for professors to exemplify a common reading experience with their students, supported by online reading materials. **Arctic National Wildlife Refuge** Subhankar Banerjee, Peter Matthiessen, 2003 Photographic documentation of the necessity to preserve this precious area

*Untamed* Will Harlan, 2014-05-06 The inspiring biography of the adventuresome naturalist Carol Ruckdeschel and her crusade to save her island home from environmental disaster In a moving homage that artfully articulates the ferocities of nature and humanity biographer Will Harlan captures the larger than life story of biologist naturalist and ecological activist Carol Ruckdeschel known to many as the wildest woman in America She wrestles alligators eats roadkill rides horses bareback and lives in a ramshackle cabin that she built by hand in an island wilderness A combination of Henry David Thoreau and Jane Goodall Carol is a self taught scientist who has become a tireless defender of sea turtles on Cumberland Island a national park off the coast of Georgia Kirkus Reviews Cumberland the country's largest and most biologically diverse barrier island is celebrated for its windswept dunes and feral horses Steel magnate Thomas Carnegie once owned much of the island and in recent years Carnegie heirs and the National Park Service have clashed with Carol over the island's future What happens when a dirt poor naturalist with only a high school diploma becomes an outspoken advocate on a celebrated but divisive island Untamed is the story of an American original who fights for what she believes in no matter the cost an environmental

classic that belongs on the shelf alongside Carson Leopold Muir and Thoreau Thomas Rain Crowe author of Zoro's Field My Life in the Appalachian Woods Vivid Ms Ruckdeschel's biography and the way this wandering soul came to settle for so many decades on Cumberland Island is big enough on its own but Mr Harlan hints at bigger questions The Wall Street Journal Wild country produces wild people who sometimes are just what's needed to keep that wild cycle going This is a memorable portrait Bill McKibben author of The End of Nature Deliciously engrossing Readers are in for a wild ride The Citizen Times

*Women of the Untamed Frontier* Pasquale De Marco, 2025-05-04 Women of the Untamed Frontier tells the stories of the remarkable women who helped to shape the American frontier These women were explorers pioneers healers educators artists activists and more They came from all walks of life and they all had a unique story to tell Their stories are not just about the past They are also about the present and the future They are a reminder of the strength resilience and determination of women They are an inspiration to us all In this book you will learn about The women who explored the American frontier The women who homesteaded the land The women who worked as merchants and business owners The women who provided healthcare on the frontier The women who fought in wars The women who created art and music The women who educated children The women who fought for social justice The women who shaped the American identity These are just a few of the many stories that could be told about the women of the American frontier Their stories are a testament to the human spirit and they deserve to be remembered This book is a celebration of the women who helped to build America It is a reminder that women have always been at the forefront of change and that they continue to make a difference in the world today If you like this book write a review on google books [Encyclopedia of Television](#) Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website **Jane Goodall Among the Chimps** Sebastian Hale, A pioneering primatologist Goodall lived among chimpanzees to study their behavior Her empathy scientific insight and conservation work redefined human animal relationships **Unforgotten** Anita Silvey, 2021-06-29 This dramatic conclusion to Leakey's Trimates will inspire the next generation of scientists and conservationists as they meet Dian Fossey who studied and protected her beloved gorillas from poachers and other threats until her murder in 1985
