

Up Against A Wall Up Against A Wall

John Magee

Up Against A Wall Up Against A Wall:

Up Against a Wall Rose Corrigan, 2013-01-07 Rape law reform has long been hailed as one of the most successful projects of second wave feminism Yet forty years after the anti rape movement emerged legal and medical institutions continue to resist implementing reforms intended to provide more just and compassionate legal and medical responses to victims of sexual violence In *Up Against a Wall* Rose Corrigan draws on interviews with over 150 local rape care advocates in communities across the United States to explore how and why mainstream systems continue to resist feminist reforms In a series of richly detailed case studies the book weaves together scholarship on law and social movements feminist theory policy formation and implementation and criminal justice to show how the innovative legal strategies employed by anti rape advocates actually undermined some of their central claims But even as its more radical elements were thwarted pieces of the rape law reform project were seized upon by conservative policy makers and used to justify new initiatives that often prioritize the interests and rights of criminal justice actors or medical providers over the needs of victims

Up Against the Wall Motherfer** Osha Neumann, 2011-01-04 They called themselves the Motherfuckers others called them a street gang with an analysis Osha Neumann's thoughtful funny and honest account of his part in 60s counterculture is also an unflinching look at what all that rebellion of the past means today The fast moving story follows the establishment of the Motherfuckers who influenced the Yippies and members of SDS makes vivid the art music and politics of the era and reveals the colorful often deeply strange personalities that gave the movement its momentum Abbie Hoffman said the Motherfuckers were the middle class nightmare an antimedia media phenomenon simply because their name could not be printed In the few years of its existence the group forced its way into the Pentagon during a war protest helped occupy one of the buildings in the Columbia University takeover and cut the fences at Woodstock to allow thousands in for free among many other feats of radical derring do Progressing from a fractured family of intellectuals to rebellion in the streets of New York and on to communes in California Newmann shows us a view of a life led in rebellion anger and eventually a tentative peace

Appendix to Report of the Dublin Disturbances Commission Great Britain. Dublin Disturbances Commission, 1914

Making Movies Sidney Lumet, 1996-03-19 ONE OF THE HOLLYWOOD REPORTER'S 100 GREATEST FILM BOOKS OF ALL TIME Invaluable I am sometimes asked if there is one book a filmgoer could read to learn more about how movies are made and what to look for while watching them This is the book Roger Ebert The New York Times Book Review Why does a director choose a particular script What must they do in order to keep actors fresh and truthful through take after take of a single scene How do you stage a shootout involving more than one hundred extras and three colliding taxis in the heart of New York's diamond district What does it take to keep the studio honchos happy From the first rehearsal to the final screening *Making Movies* is a master's take delivered with clarity candor and a wealth of anecdote For in this book Sidney Lumet one of our most consistently acclaimed directors gives us both a professional memoir and a definitive guide to the art

craft and business of the motion picture Drawing on forty years of experience on movies that range from Long Day s Journey into Night to Network and The Verdict and with such stars as Katharine Hepburn Paul Newman Marlon Brando and Al Pacino Lumet explains how painstaking labor and inspired split second decisions can result in two hours of screen magic

Supreme Court , **Northern Ireland** John Magee,2025-08-01 First published in 1974 Northern Ireland is a collection of documents which constitutes an illuminating description and analysis of the complex religious political social and economic factors that underlie the Irish conflict The author goes back to the seventeenth century to find the roots of the troubles All sides of the argument are represented in documents which range from government statements to Provisional and Official IRA manifestos They propose answers to various questions why are there two separate communities in Northern Ireland and why are they so bitterly divided Why has there been no rapprochement between the North and South for over fifty years A balanced factual account of the Civil Rights movement and of the gradual disintegration of the once omnipotent Ulster Unionist party is given The final section deals with the arrangements suggested for Northern Ireland and with the prospects of establishing a kind of all Ireland institution **New York Court of Appeals. Records and Briefs.** New York (State). Court of Appeals.,1915 Volume contains 217 NY 172 People v Hudson Valley Construction Co Telephony ,1913
