cannot be reduced to women's experience or to men's projections onto women. The Presence of the Feminine in Film gives body to that often rather loosely formulated Jungian conception of the feminine aspect of psyche by noticing what feminine turns out to mean in particular cinematic contexts. Spanning seven decades from Pride and Prejudice to Notorious and Letter from an Unknown Woman to Monsoon Wedding, Brokeback Mountain and The Lives of Others, the movies selected for particular study here make it clear that the feminine is at home in the movies and that when she appears it is to appeal to our sensibilities as well as to our senses. This is a book that will enhance the appreciation of film as a depth psychological medium.

Simple Soulful Sacred Megan Dalla-Camina, 2019-07-02 Simple Soulful Sacred is a guidebook for the modern woman who seeks clarity and guidance on how to live the life of her dreams on her own terms. It's for the women of our time: the mothers, teachers, healers, light workers, dreamers, creators, leaders who are ready to find their voice, speak their truth and own their power whilst living life with less hustle and more flow. For modern women wanting more for their lives, it's the now age definition of having it all. Women are rising, ready to step out of the cloak of masculine traits that keep them striving for a version of success that is not their own. Ready to stop hiding their light and playing the comparison game. And ready to fully embody their feminine power. Because while the feminine may have been disowned and devalued for centuries, we are so done with that story now. But it's still a paradox. Because within this very rising, women are longing to step out of the noise and chaos to live more simply. They want time and space for what's most important to them and the comfort, consciousness and connection that often gets lost in the busyness and distractions of daily life. This book is the bridge women have been seeking. Written with the time-poor reader in mind, this book includes 200 short-form chapters, the perfect length for dipping into while commuting during a lunch break or at the end of the day. The perfect gift or self-gift for women of all ages.
