donated to two military charities the Special Operation Warrior Foundation and the Sua Sponte Foundation The Special Forces Sniper Course formerly the Special Operations Target Interdiction Course SOTIC is the premier sniper training course in the world Top members of all branches of special operations are able to attend this prestigious course on a limited selection basis This book is the official manual for the course It is not the best resource for how to be a sniper or how to shoot long range Instead it is a reference manual If you re looking for long range shooting instruction check out the Long Range Shooting Handbook This is a large desk top bookshelf 8 5x11 sized copy Unlike other versions of this book for sale check their feedback this book is properly formatted with text large enough to actually read **To Be a Military Sniper** Gregory Mast,Hans Halberstadt,2007-12-15 The training and character that make for success in one of the most challenging and mysterious jobs the military has to offer clearly described and illustrated **Enemy Inside The Gates: Snipers In Support Of Military Operations In Urbanized Terrain** Lt.-Colonel Jeffery E. Dearolph USMC,2014-08-15 As the world s urban areas continue to increase in size the possibility of U S forces conducting military operations in urbanized terrain also increases However the weapon systems the U S procures and employs obtain maximum effectiveness in open terrain These weapons prove less capable in urban terrain since their standoff and precision advantages suffer degradation due to buildings and the fleeting nature of enemy personnel U S weaponry also causes a large amount of collateral damage that may also result in civilian casualties which proves politically unacceptable Potential adversaries of the U S realize these limitations and present a target set that proves difficult to locate and engage The target set the enemy uses in urban terrain consists of enemy combatants mixing with non combatants enemy snipers and special purpose teams Assets the U S possesses that can engage elements of the enemy s urban target set include U S Army and Marine Corps snipers However a determination on whether more snipers will effectively defeat the target set requires consideration This monograph analyzes the contemporary operating environment to articulate the enemy s urban target set Next a review of current U S Army and Marine Corps sniping doctrine organization and training establishes the foundation for presenting the sniper s capability to defeat the urban target set In order to provide a balanced argument other possible solutions to engaging and defeating the target set receive consideration Research shows that the sniper company organized at the division level achieves the desired effect of increasing the density of sniper teams on the urban battlefield The costs associated with the sniper company prove acceptable as it requires minimal expenditure concerning personnel and equipment The division sniper company will effectively counter the enemy s urban target set without causing non combatant casualties US Special Operation Forces Handbook Volume 3 US Army Special Operation Forces: Strategic Information and Materials IBP USA, Modern Snipers Leigh Neville,2016-08-25 The years since 9 11 have seen major changes in the way snipers are employed on the modern battlefield alongside an incredibly rapid evolution in their weapons equipment and training This book covers the 14 years of near constant warfare since the dawn of the 21st century documenting where when and how snipers have been deployed

their rifles optics and their ancillary equipment such as laser range finders their training and tactics and accounts of real life operations involving sniper teams The wars in Iraq and Afghanistan have reaffirmed the importance of snipers in both conventional and unconventional warfare and this study covers these developments in depth as well as looking at the role of the sniper in police and counterterrorism environments *Navy SEAL Sniper* Glen Doherty, Brandon Webb, 2017-01-03 The sniper is a battlefield threat second to none Mastering the art of marksmanship is critical but is only part of what makes a Navy SEAL sniper Snipers must be able to apply the craft in an urban environment or alone on a hostile mountain top with equal effectiveness Today s sniper must not just leverage technological advances but also have the foreknowledge to select the best rifle and gear for the mission Increasingly he must have the mental toughness to adapt to a constantly changing environment gather intelligence and truly act as a force multiplier In this comprehensive look through the eyes of former Navy SEAL sniper instructor Brandon Webb and fellow Navy SEAL snipers Chris Kyle and Glen Doherty the authors reveal not just the fundamentals of marksmanship but also the science of shooting stalking and camouflage and how technological advances have changed the training and increased the effectiveness of the modern sniper Including maritime helicopter and urban sniper operations this updated edition also goes into detail on the latest research development testing and evaluation of weapons and optics From the basics like compensating for wind and bullet drop to camouflage and placing yourself or your team in the best position to take a photo or pull a trigger Webb and Doherty cover the critical elements that comprise the twenty first century sniper **Soldier of Fortune** ,2008 **Modern American Snipers** Chris Martin, 2014-12-16 An inside look at today s special operations sniper and an in depth look at the career of Chris Kyle from those who knew him and fought alongside him Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance But this description barely scratches the surface Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren t pulling the trigger Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor Navy Cross and countless other honors These are the most experienced warriors on the battlefield oftentimes the units best assaulters with years of door kicking under their belt These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non permissive environments Chris Martin s *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best including The Legend Chris Kyle SEAL Team 3 Chief and the most lethal sniper in U S military history The Reaper Nick Irving the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills Robert Horrigan Delta sniper who played a critical role in Operation Anaconda Don Hollenbaugh Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah And many more

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
