Television Dramatic Dialogue Kay Richardson, 2010-04-07 When we watch and listen to actors speaking lines that have been written by someone else a common experience if we watch any television at all the illusion of people talking is strong These characters are people like us but they are also different products of a dramatic imagination and the talk they exchange is not quite like ours Television Dramatic Dialogue examines from an applied sociolinguistic perspective and with reference to television the particular kind of artificial talk that we know as dialogue onscreen on mike talk delivered by characters as part of dramatic storytelling in a range of fictional and nonfictional TV genres As well as trying to identify the place which this kind of language occupies in sociolinguistic space Richardson seeks to understand the conditions of its production by screenwriters and the conditions of its reception by audiences offering two case studies one British Life on Mars and one American House

Basics of Literary Devices in English Literature Ainaab Tariq, Asma Arshi, Dr. Uma Rajmohan, Dr. T.V.S. Padmaja, 2023-02-14 There s no denying the significance of literary devices when conveying a story They may make the author s tale more comprehensible and engaging by emphasising key phrases evoking certain emotions and providing more context One may improve story telling skills by using these literary tools We can identify recognise interpret and or evaluate any element of literature or any one piece as a literary device Some literary devices include both aspects of literature and literary strategies Literary tactics are the linguistic structures that an author utilises to express an idea In most cases a literary method is used by an author using the single word or phrase or a small cluster of words or phrases at a specific location in the text Unlike components of literature literary strategies need not be included in every piece of writing All literary techniques have one thing in common they make the reader think about the world in new ways by pointing out or exploring connections between various elements The use of comparison as a linking mechanism is widespread in literature Metaphors and similes the two most common forms of analogy will be introduced throughout the book Putting two items side

by side is an example of a metaphor Each literary device deserves its own dedicated discussion and set of illustrative texts This is a book devoted to the most often used literary devices in both poetry and prose *American Book Publishing Record*, 2003 The British National Bibliography Arthur James Wells, 2006 **The Christian Writer's Market Guide 2015-2016** Jerry B.
