Baglione,2018-12-31 Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience Crafting the right research question finding good sources properly summarizing them operationalizing concepts and designing good tests for their hypotheses presenting and analyzing quantitative as well as qualitative data are all tough going without a great deal of guidance and encouragement

Writing a Research Paper in Political Science breaks down the research paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished Practical summaries recipes for success worksheets exercises and a series of handy checklists make this a must have supplement for any writing intensive political science course *Whitaker's Books in Print* ,1998 [Resources in Education](#) ,2000 **Writing**

Theology Well 2nd Edition Lucretia B. Yaghjian,2015-09-24 A working guide for students conducting theological writing and research on theology and biblical studies courses this book integrates the disciplines of writing rhetoric and theology to provide a standard text for the teaching and mentoring of writing across the theological curriculum As a theological rhetoric it also encourages excellence in theological writing in the public domain by helping to equip students for their wider vocations as writers preachers and communicators in a variety of ministerial and professional contexts This 2nd Edition includes new chapters on Writing Theology in a New Language which explores the linguistic and cultural challenges of writing theology well in a non native language and Writing and Learning Theology in an Electronic Age addressed to distance learning students learning to write theology well from online courses and dealing with the technologies necessary to do so

Research in Education ,1974 **Canadian Books in Print 2002** Marian Butler,2002-02 *Whitaker's Cumulative Book List* ,1986 *Canadian Books in Print. Author and Title Index* ,1975 *Effective Writing for Social Work* Lucy Rai,2014-09-17 Based on original research this book offers students an insight into the nature and challenges of writing in social work practice enabling them to improve their writing skills It explores the ways in which both students and qualified social workers can be more effective in their writing through an awareness of the purpose context and audience It makes explicit the connections and differences between learning to write in university and communicating through writing in practice and explores the impact that new technologies have on academic and professional writing Drawing on both research and examples from practice Effective writing for social work is a valuable tool for students educators practitioners and managers to critically examine ways in which writing could better support best practice in social work
