Desettling as Re-subjectification of the Settler Subject Kathleen S.G. Skott-Myhre, Hans A. Skott-Myhre, Jeffrey Galvin Smith, Scott Kouri, 2023-10-20 This book offers an intervention into the process of decolonization through the re subjectification of the settler subject The authors draw on what Deleuze and Guattari call minor threads of philosophy pedagogy spirituality and healing practices rooted in neglected lineages of European thought and ceremony The book proposes a methodology for unontologizing the settler subject which they term desettling Rather than fetishizing indigenous theory and practice as a mode for resubjectifying settlers to facilitate land based decolonization it offers a fresh approach by looking toward alternative sets of traditions and identities These alternatives are used to interrogate minoritarian European philosophies practices and beliefs which the authors propose could be deployed to unontologize the settler within current historical conditions Asserting that such a process is not volitional but a historical necessity the book offers a novel and timely investigation into who settlers become if they intend to engage seriously in decolonization It will appeal to an interdisciplinary audience of scholars and researchers in psychological science social psychology counseling philosophy indigenous studies and sociology Deleuze and Psychology Maria Nichterlein, John Morss, 2016-08-05 An increasing number of scholars students and practitioners of psychology are becoming intrigued by the ideas of Gilles Deleuze and of Felix Guattari This book aims to be a critical introduction to these ideas which have so much to offer psychology in terms of new directions as well as critique Deleuze was one of the most prominent philosophers of the 20th century and a figure whose ideas are increasingly influential throughout the humanities and social sciences His work particularly his collaborations with psychoanalyst Guattari focused on the articulation of a philosophy of difference Rejecting mainstream continental philosophy just as much as the orthodox analytical metaphysics of the English speaking world Deleuze proposed a positive and passionate alternative bursting at the seams with new concepts and new transformations This book overviews

the philosophical contribution of Deleuze including the project he developed with Guattari It goes on to explore the application of these ideas in three major dimensions of psychology its unit of analysis its method and its applications to the clinic Deleuze and Psychology will be of interest to students and scholars of psychology and those interested in continental philosophy as well as psychological practitioners and therapists

Critical Psychology Praxis Robert Beshara,2021-02-25 This collection of chapters advances critical psychology by incorporating praxis theory and practice and decolonial streams of thought They are united around a theme of psychosocial non alignment to modernity coloniality Bringing together a transdisciplinary range of authors from around the world this edited volume weaves together a spectrum of complex arguments and perspectives to lay the foundations for bridging the Global North South divide in critical psychology through solidarity and dialogue The book s central argument is to emphasize praxis and transdisciplinarity over disciplinary fundamentalism Psychology is only a starting point and not the end goal of critique in this book incidentally some of the authors are not even psychologists Instead the book draws on decolonial theoretical resources such as Chican Studies Black Male Studies and Critical Pedagogy to complement traditional theoretical resources like psychoanalysis Marxism poststructuralism and feminism This groundbreaking text is suitable for scholars and upper level undergraduate and postgraduate students studying critical discourse the psychology and philosophy of post coloniality conceptual and historical issues in psychology as well as anthropology and sociology courses engaging with action research

Youth Work, Early Education, and Psychology Veronica Pacini-Ketchabaw,Kathleen Skott-Myhre,2016-01-26 Youth Work Early Education and Psychology re examines the set of relations generally referred to as working with children and youth It presents a series of propositions that highlight politicized strategies to working with young people under current

conditions of late liberal capitalism *Black Men's Health* Yarneccia D. Dyson, Vanessa Robinson-Dookey, Jerry Watson, 2022-07-05 Now more than ever there is a need to focus on Black men's health in higher education and ensure that future practitioners are trained to ethically and culturally serve this historically oppressed community This textbook provides practical insight and knowledge that prepare students to work with Black men and their families from a strengths based and social justice lens There is a dearth in the literature that discusses the prioritization of Black men's health within the context of how they are viewed by societal approaches to engage them in research and health programming aimed at increasing their participation in health services to decrease their morbidity and mortality rates Much of the extant literature is over 10 years old and doesn't account for social determinants of health perceptions of health status as well as social justice implications that can affect the health outcomes of this historically oppressed population including structural and systemic racism as well as police brutality and gun violence The book's 13 chapters represent a diversity of thought and perspectives of experts reflective of various disciplines and are organized in four sections Part I Racial Disparities and Black Men Part II Black Masculinity Part III Black Men in Research Part IV Social Justice Implications for Black Men's Health *Black Men's Health* serves as a core text across multiple disciplines and can be utilized in undergraduate and graduate level curriculums It equips students and educators in social work nursing public health and other helping professions with the knowledge and insight that can be helpful in their future experiences of working with Black men or men from other marginalized racial ethnic groups and their families social support systems Scholars practitioners and academics in these disciplines as well as community based organizations who provide services to Black men and their families state agencies and evaluation firms with shared interests also would find this a useful resource **Massacre of the Dreamers** Ana Castillo, 2014-12-01 Gustavus Myers Outstanding Book Award from the Gustavus Myers Center for the Study of Bigotry and Human Rights This new edition of an immensely influential book gives voice to Mexican American women silenced for hundreds of years by the dual censorship of being female and indigenous Castillo replaced the term Chicana feminism with Xicanisma to include mestiza women on both sides of the border In history myth interviews and ethnography Castillo revisits her reflections on Chicana activism spiritual practices sexual attitudes artistic ideology labor struggles and education related battles Her book remains a compelling document enhanced here with a new afterword that reexamines the significance of Our Lady of Guadalupe **Ways of Seeing Women's Leadership in Education: Stories, Images, Metaphors, Methods and Theories** Kay Fuller, Pontso Moorosi, Victoria Showunmi, Saeeda J.
