Village Life In China A Study In Sociology:

Village Life in China - A Study in Sociology Arthur H. Smith, 2019-02-13 *Village Life in China A Study in Sociology* is one of the author's fascinating written accounts of his experiences living and travelling China during the late 19th century. This particular volume focusing on the subject of rural life in the country. He wrote this book while living among the local population in small agricultural villages, noting down his observations and compiling them into this insightful glimpse of 19th century rural China. Arthur Henderson Smith 1845-1932 was a missionary famous for spending 54 years doing missionary work in China. He wrote many books about his time there, presenting China to many foreign readers for the first time. Other notable works by this author include *Chinese Characteristics* and *The Uplift of China*. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in a modern high quality edition complete with the original text and artwork.

Village Life in China Arthur H. Smith, 2020-08-13 Reproduction of the original *Village Life in China* by Arthur H. Smith

Village Life in China Arthur Henderson Smith, 1899

Village Life in China Arthur Henderson Smith, 2015-07-23 Excerpt from *Village Life in China A Study in Sociology*. These chapters are written from the standpoint of one who by an extended experience in China has come to feel a profound respect for the numerous admirable qualities of the Chinese and to entertain for many of them a high personal esteem. An unexampled past lies behind this great race and before it there may lie a wonderful future. Ere that can be realized, however, there are many disabilities which must be removed. The longer one is acquainted with China, the more deeply is this necessity felt. Commerce, diplomacy, extension of political relations and the growing contact with Occidental civilization have all combined, proved totally inadequate to accomplish any such reformation as China needs. The Chinese village is the empire in small and when that has been surveyed we shall be in a better condition to suggest a remedy for whatever needs amendment. It cannot be too often reiterated that the variety in unity in China is such that affirmations should always be qualified with the implied limitation that they are true somewhere, although few of them may hold good everywhere. On the other hand, the unity in variety is such that a really typical Chinese fact, although of restricted occurrence, may not on that account be the less valuable. China was never so much in the world's thought as to-day nor is there any apparent likelihood that the position of this empire will be less conspicuous at the opening of the twentieth century. Whatever helps to a better understanding of the Chinese people is an aid to a comprehension of the Chinese problem. To that end, this volume is intended as a humble contribution.

About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Village Life in China: A Study in Sociology Arthur H. Smith, 2021-04-25 In *Village Life in China A Study in Sociology* Arthur H Smith provides a meticulous examination of rural life in late 19th century China employing a rich observational literary style that blends ethnography with sociological inquiry Through detailed descriptions of agricultural practices social structures and local customs Smith paints an intimate portrait of Chinese village life situating his observations within broader socio cultural contexts His pioneering work delves into the interplay between tradition and modernity uncovering the complexities of familial ties local governance and community dynamics in a society undergoing significant transformation Arthur H Smith an American missionary and scholar was deeply influenced by his experiences in China where he lived for over three decades His unique position as both an outsider and a participant in Chinese society provides him with a nuanced perspective that informs his analysis Smith s scholarly pursuits were driven by a desire to bridge cultural gaps and foster understanding between East and West making his insights both valuable and prescient for his time This book is highly recommended for readers interested in sociology anthropology and Chinese studies It offers an invaluable lens into the daily lives of individuals in rural China serving as a foundational text for those seeking to understand the social fabric of a nation on the brink of modernization

Village Life in China Arthur Smith, Luc Guo, 2014-09-21 There is no glamour thrown over the race neither is there failure to recognize those qualities that have made them so backward in civilization so hostile to foreigners so repugnant to many in our land Everyone interested in China or the Chinese should read the book The Independent If we are not to accept the studies that missionaries have made of the Chinese whose are we to accept We do not mean the accounts of the seminary young man who fresh from his studies lives in China for a six month and then writes of his experiences but of the men like the author of this volume who has had a residence of twenty two years in China Mr Smith s volume is a highly entertaining one showing uncommon shrewdness with keen analysis of character The New York Times

Village Life In China A Study In Sociology Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Village Life In China A Study In Sociology free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Village Life In China A Study In Sociology free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Village Life In China A Study In Sociology free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Village Life In China A Study In Sociology. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Village Life In China A Study In Sociology any PDF files. With these platforms, the world of PDF downloads is just a click away.
