Vinyl Leaves Walt Disney World And America:

Vinyl Leaves Stephen M Fjellman,2019-06-20 Walt Disney World is a pilgrimage site filled with utopian elements craft and whimsy It s a pedestrian s world where the streets are clean the employees are friendly and the trains run on time All of its elements are themed presented in a consistent architectural decorative horticultural musical even olfactory tone with rides shows r

Disney Theme Parks and America's National Narratives Bethanee Bemis,2022-12-27 Disney Theme Parks and America s National Narratives takes a public history approach to situating the physical spaces of the Disney brand within memory and identity studies For over 65 years Disney s theme parks have been important locations for the formation and negotiation of the collective memory of the American narrative Disney s success as one of America s most prolific storytellers its rise as a symbol of America itself and its creation of theme parks that immerse visitors in three dimensional versions of certain American values and historic myths have both echoed and shaped the way the American people see themselves Like all versions of the American narrative Disney s vision serves to reassure us affirm our shared values and unite a diverse group of people under a distinctly American identity or at least it did The book shows how the status Disney obtained led the public to use them both as touchstones of identity and as spaces to influence the American identity writ large This volume also examines the following how Disney s original cartoons and live action entertainment offerings drew from American folk history and ideals how their work during World War II cemented them as an American symbol at home and abroad how the materialization of the American themes already espoused by the brand at their theme parks created a place where collective memory lives how legitimization by presidents and other national figures gave the theme parks standing no other entertainment space has how Disney has changed alongside the American people and continues to do so today This book will be of interest to students and scholars of history media cultural studies American studies and tourism

Power and Paradise in Walt Disney's World Cher Krause Knight,2019-08-19 Peels back the actual and contextual layers of Walt Disney s inspiration and vision for Disney World in central Florida exploring the reasons why the resort has emerged as such a prominent sociocultural force *The American Civil War on Film and TV* Douglas Brode,Cynthia J. Miller,Shea T. Brode,2017-10-05 Whether on the big screen or small films featuring the American Civil War are among the most classic and controversial in motion picture history From D W Griffith s Birth of a Nation 1915 to Free State of Jones 2016 the war has provided the setting ideologies and character archetypes for cinematic narratives of morality race gender and nation as well as serving as historical education for a century of Americans In *The American Civil War on Film and TV* Blue and Gray in Black and White and Color Douglas Brode Shea T Brode and Cynthia J Miller bring together nineteen essays by a diverse array of scholars across the disciplines to explore these issues The essays included here span a wide range of films from the silent era to the present day including Buster Keaton s The General 1926 Red Badge of Courage 1951 Glory 1989 Gettysburg 1993 and Cold Mountain 2003 as well as television mini series The Blue and The Gray 1982 and John Jakes acclaimed North

and South trilogy 1985 86 As an accessible volume to dedicated to a critical conversation about the Civil War on film The American Civil War on Film and TV will appeal to not only to scholars of film military history American history and cultural history but to fans of war films and period films as well

Once Upon an American Dream Andrew Lainsbury,2000

Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe s love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty s Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about

Paving Paradise Craig Pittman,Matthew Waite,2009 What is happening to Florida s protected wetlands This is an exhaustive timely and devastating account of the destruction of Florida s wetlands and the disgraceful collusion of government at all levels It s an important book that should be read by every voter every taxpayer every parent every Floridian who cares about saving what s left of this precious place Carl Hiaasen Pittman and Waite pulled the lid off federal and state wetlands regulation in Florida and peered deep into the cauldron of mitigation no net loss banking and the rest of the regulatory stew For anyone interested in wetlands generally and in Florida environmental issues in particular this is an

eye opening must read book J B Ruhl Since 1990 every president has pledged to protect wetlands and Florida possesses more than any state except Alaska And yet since that time Florida has lost more than 84 000 acres of wetlands that help replenish the water supply and protect against flooding How and why the state s wetlands are continuing to disappear is the subject of *Paving Paradise* Journalists Craig Pittman and Matthew Waite spent nearly four years investigating the political expedience corruption and negligence on the part of federal and state agencies that led to a failure to enforce regulations on developers They traveled throughout the state interviewed hundreds of people dug through thousands of documents and analyzed satellite imagery to identify former wetlands that were now houses stores and parking lots The result was an award winning series *Vanishing Wetlands* of more than twenty stories in the St Petersburg Times exposing the unseen environmental consequences of rampant sprawl Expanding their work into book form in the tradition of Michael Grunwald s *The Swamp* Pittman and Waite explain how wetland protection has become a taxpayer funded program that creates the illusion of environmental protection while doing little to stem the tide of destruction Imagining Literacy Ramona

Fernandez,2001-09-15 No detailed description available for *Imagining Literacy* *Illuminating Social Life* Peter Kivisto,1998 Demonstrates how classical and contemporary social theories shed new light on such topics as the Internet the world of work fast food restaurants prostitution shopping malls alcohol use body building and new religious movements

SPACE & AMERN IMAGINATION Howard E. McCurdy,1997-10-17 Examining popular images that have helped motivate the most ambitious civil space program in the world McCurdy argues that the spacefaring dream tapped into several of America s most deeply rooted cultural ideals He also explains how space advocates playing on the public s Cold War fears convinced politicians that control of space meant control of the earth He also contends that the gaps between expectations and reality led to public policy obligated to entertain as well as inform 43 photos *American Studies International* ,1992

The Nature of the State Mark Whitehead,Rhys Jones,Martin Jones,2007-01-11 The complex relationships between the state and nature remain under theorized and relatively unexplored Combining original research and theoretical insights *The Nature of the State* challenges the ways in which social scientists approach questions of socio environmental power and offers new insights into the history of state nature relations The Public Taste for Reality Vanessa R. Schwartz,1993

Fairy Tale Films Pauline Greenhill,Sidney Eve Matrix,2010-08-06 To set the field fairy tales are traditional or literary fictional narratives that combine human and non human protagonists with elements of wonder and the supernatural Scholars of literature and film explore how such narratives manifest in film either native to it or changelings from written literature or oral tradition Among the topics are the commodification of childhood in contemporary fairy tale film Guillermo del Toro s *Pan s Labyrinth* El Laberinto del fauno and neomagical realism feminism and place in The Juniper Tree patriarchal backlash and nostalgia in Disney s *Enchanted* feminist cultural pedagogy in Angela Carter and Neil Jordan s *The Company of Wolves* and a secret midnight ball and a magic cloak in Stanley Kubrick s *Eyes Wide Shut* *Radical Teacher* ,2008 **Florida's**

Megatrends David R. Colburn, Lance DeHaven-Smith, 2010 Florida's modern face the result of its astonishing population growth since World War II belies an unbalanced economy overly dependent on tourism and retirement that generates primarily low paying service jobs Florida's Megatrends is timely reading for any citizen and especially any aspiring politician St Petersburg Times This brief but powerful book analyzes Florida since the 1870s Here each historical event is included for a reason and each forecast for the future is based on solid historical precedents The result is an exciting and informative book Florida Historical Quarterly Offers an important perspective on some of the most critical issues facing our great state in the twenty first century U S Senator Bob Graham In the first edition of Florida Megatrends David Colburn and Lance deHaven Smith revealed the state for what it is a bellwether for the nation The intervening years have only confirmed their analyses as Florida and the U S have been battered and transformed by the housing collapse the great economic recession that began in 2008 record high gas prices withering tourism the 2004 hurricane season and much more This completely revised and updated edition brings the story up to date *Atenea* ,2006 **Theory@buffalo.edu** ,1996
