Violence Reflections On A National Epidemic:

Violence James Gilligan, 1997-04-29 Drawing on firsthand experience as a prison psychiatrist his own family history and literature Gilligan unveils the motives of men who commit horrifying crimes men who will not only kill others but destroy themselves rather than suffer a loss of self respect With devastating clarity Gilligan traces the role that shame plays in the etiology of murder and explains why our present penal system only exacerbates it Brilliantly argued harrowing in its portraits of the walking dead Violence should be read by anyone concerned with this national epidemic and its widespread consequences Extraordinary Gilligan's recommendations concerning what does work to prevent violence are extremely convincing A wise and careful enormously instructive book Owen Renik M D editor Psychoanalytic Quarterly Violence

James Gilligan, 1997-04-29 In this groundbreaking book James Gilligan examines the epidemic foremost in the minds of most Americans violence As he tells the stories of the men he treated at a hospital for the criminally insane Dr Gilligan traces the devastating links between violence and shame He shows how that deadly emotion drives people to destroy others and even themselves rather than suffer a loss of self respect Affect Theory, Shame, and Christian Formation Stephanie N. Arel, 2016-11-08 This book addresses the eclipse of shame in Christian theology by showing how shame emerges in Christian texts and practice in ways that can be neither assimilated into a discourses of guilt nor dissociated from embodiment Stephanie N Arel argues that the traditional focus on guilt obscures shame by perpetuating the image of the lonely sinner in guilt Drawing on recent studies in affect and attachment theories to frame the theological analysis the text examines the theological anthropological writings of Augustine and Reinhold Niebuhr the interpretation of empathy by Edith Stein and moments of touch in Christian praxis Bringing the affective dynamics of shame to the forefront enables theologians and religious leaders to identify where shame emerges in language and human behavior The text expands work in trauma theory providing a multi layered theological lens for engaging shame and accompanying suffering MALE CRIME AND DEVIANCE Barri R. Flower, 2003-01-01 MALE CRIME AND DEVIANCE seeks to explore in depth the types of offenses most identified with and committed by males dynamics of male crime characteristics of male offenders how male criminality and delinquency compare with and differ from female delinquent and criminal behavior explanations for male crime and efforts at combating crime in this country Particular attention is given to exploring the relationship between male aggression and masculinity as well as the role that testosterone and other biological factors play in male crime and violence The book also focuses on the correlation between male violence and aggressive behavior and firearms violence involving intimates male sexual violence bias crimes workplace violence terrorism male perpetrated sexual offenses youth gang crime and school violence These areas of male criminality and deviance are examined within the context of all male offending arrest self report and inmate data along with criminological theoretical approaches to understanding the causes and related factors of male deviant behavior The book is written primarily for undergraduate and graduate level students for coursework in criminal

justice criminology male aggression violent behavior homicide youth studies gang studies delinquency law law enforcement sociology social science psychology biology and related areas of study However it is appropriate as well for academicians social scientists psychologists law officers medical workers and a general readership with a vested interest in antisocial behavior and its implications on the greater society **God Alone Is the Truth and the Way** Frederick Mahan,2008-07 Many people are unsure about how to live righteously in today s uncertain world where morals are rapidly declining God Alone Is the Truth and the Way is a step by step guidebook that will reveal the cause and effect of the lies we believe teach you how to take the blinders off change your way of life and live with a sense of peace America and Americans are making the same fatal flaws that signaled the demise of Rome and the Romans and other once prominent Western civilizations Author Frederick Mahan attributes affluence prejudice and the seven deadly sins to the deterioration He analyzes the fall of other Western civilizations and compares the phenomena with what is happening in America today Mahan then calls on insight from history religion literature and philosophy He cites gifted contributors who share the truths about love marriage democracy and freedom and shares personal accounts of his own spiritual failures and successes He ultimately invites and motivates you to explore a relationship with God personified in Jesus Christ This ultimate survivor s manual will show you the way to live in an ever changing and faithless world with a sense of direction and purpose and a genuine peace of mind

Forensic Emergency Medicine Jonathan S. Olshaker,M. Christine Jackson,William S. Smock,2007 Updated for its Second Edition this text provides the information emergency departments need about the medicolegal aspects of treating victims of violence motor vehicle accidents sexual assault child abuse elder abuse and intimate partner abuse It offers detailed guidelines on interviewing and examining the victim and collecting preserving and documenting evidence for legal proceedings The book includes a chapter by an attorney on expert testimony and a chapter on forensic photography A full color photo insert illustrates injury patterns and key evidence This edition provides increased coverage of motor vehicle accidents DNA evidence and new drugs of abuse **Hiding in Plain Sight** James F. Kenny,2019-10-10 This book examines the role of deceptive tactics in the criminal victimization process showing how various forms of manipulative aggression can help disguise dangerous advances The author approaches crime victimization as the final stage in a purposeful predictable dynamic and progressively dangerous process involving interactions between the target and the aggressor As they prepare for the attack aggressors may attempt to distract confuse and reduce target resistance While these tactics provide aggressors certain advantages they can be recognized anticipated and managed By presenting a framework to identify behaviors of concern early in the process Kenny shows how preventative action can be taken Proactive intervention may cause aggressors to withdraw before they are fully committed to and confident in their ability to be successful Those who take steps to reduce vulnerabilities limit risky behaviors and avoid dangerous situations can help prevent themselves from being victimized Story-Formed Pathways to Peace Dalton Reimer,2018-09-11 The Book Story Formed Pathways to Peace

calls readers to action around a single vision making peace a reality It draws on the unexpected power of stories to transform the world The stories retold here have resonated through the ages not only with those religious but also with thinkers artists musicians and others who have seen in them universal patterns of behavior Now retold with commentary as seen through the lens of conflict and peacemaking they illuminate pathways to peace as relevant today as when first told Each chapter is fronted with imagined headlines of the ancient story with actual parallel headlines from the present thus highlighting this connection of past and present It is then in going back that pathways toward peace are illuminated for the present and future The wisdom tradition of sacred texts is hereby extended **Darkness Now Visible** Carol Gilligan, David A.
