Virtual Foreplay Making Your Online Relationship A Real Life Success:

Virtual Foreplay Eve Eschner Hogan, M.A.,2001-06-26 Entering the world of online dating can be daunting and even dangerous Virtual Foreplay addresses the need for a guidebook to this still largely unexplored area but the author takes an unusual approach Using real life examples she helps readers find their self soul and passion in a way that makes presenting themselves online an honest and satisfying experience Chapters like Fifty Ways to Delete Your Lover and Don t Talk to Strangers Except on the Internet keep the discussion lively as well as informative **Intellectual Foreplay** Eve Eschner Hogan,Steve Hogan,2000 Provides a series on question on feelings interests beliefs personalstories financial matters habits and behavior future plans and relatedssues for couples considering a more permanent relationship *How to Love Your Marriage* Eve Eschner Hogan,2006-04-28 Keeping the love in your marriage requires skills that most of us have not been taught in school or at home Many people think that the secret to marriage is FINDING the love of your life Of greater importance is KEEPING the love in your life from that moment on This book s premise is that love like self esteem doesn t go away it just gets blocked by negative experiences comments and beliefs that make the love difficult to feel When we learn how to remove those obstacles to let go of the past to move beyond our egos to the heart of the matter and align our actions with our goals we can reawaken the love and keep our marriage growing HOW TO LOVE YOUR MARRIAGE provides Methods for solving problems and being your own best relationship advisor Empowering How to steps to take even if your partner is not willing to take them with you Simple Love Tips that you can use immediately The EROS formula for creating powerful loving relationships Tools for managing your emotions and those of your spouse An understanding of self esteem s impact on a relationship and a relationship s impact on self esteem Self directed exercises and questions Dating and Sexuality in America Jeffrey S. Turner,2003-11-04 A highly informative account of trends concepts and problems related to dating and sexuality in the United States along with thought provoking coverage of today s most important issues and controversies A history of dating and sexuality illuminates new trends and problems that were absent just a few decades ago The most important dating and sexuality issues facing teenagers today are explored including solutions and implications for educational intervention The work elucidates how dating unfolds and how sexual attitudes and behaviors impact intimacy Valuable information about organizations and individuals as well as print and electronic resources are included in this authoritative work **Creating Extraordinary Joy** Chris Alexander,2001-12-18 For 20 years Chris Alexander has worked with business professionals and others studying their interpersonal connection He s found that emotional and spiritual connection is just as important as intellectual and physical connection In this book Alexander explains how to connect with others at all four levels thereby empowering people to create the ultimate connection love In *Creating Extraordinary Joy* Alexander takes readers on a journey of discovery His ten Synergy Life Mastery Steps help readers discover who they are where they are in life and what they value highly ultimately uncovering their authentic selves and true purpose **The**

EROS Equation Eve Eschner Hogan, 2014-03-01 Based on the idea that it is our own response to a situation rather than the situation itself that creates a particular outcome The EROS Equation is a unique approach to improving relationships Instead of focusing on difficult partners or problems author and relationship adviser Eve Eschner Hogan enables us to uncover new and creative responses in ourselves using the EROS equation As she explains in the introduction Hogan developed this problem solving tool through years of work with clients colleagues and in her own marriage She named it the EROS equation because it can be written as Event Response Outcome and Solutions E R O and S Invocative of the Greek god of love this empowering outlook leads to deeper self knowledge and more harmonious relationships Writing in accessible short chapters Hogan uses real life examples to look at typical relationship issues from daily annoyances to extramarital affairs She highlights common responses that don't work and applies the EROS equation to show us how our own wisdom intuition and creativity can reveal solutions The EROS Equation makes clear that by changing an unhelpful habitual response that blocks understanding we can create a loving and solution oriented outcome
