Vision Of The Disinherited The Making Of American Pentecostalism

Carroll Van West

Vision Of The Disinherited The Making Of American Pentecostalism:

Vision of the Disinherited Robert Mapes Anderson, 1979 This study is limited to the formative phase of the Pentecostal movement from the late nineteenth century to the early 1930s The Depression years were years of phenomenal growth for the Pentecostals but by then the movement had entered a different stage of development much of the spontaneous element had become ritualized and what had been a fluid movement had largely crystallized into a number of denominations While my primary focus has been on Pentecostalism as a social movement I have been ever mindful of the interaction between theological and sociological influences between ideas and action Introduction *Vision of the Disinherited* Robert Mapes Anderson, 1992 *Pentecostal Currents in American Protestantism* Edith Waldvogel Blumhofer, Russell P. Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change **Pentecostal Spirituality** Steven Jack Land, 1993-01-01 In this classic book leading Pentecostal scholar Steven J Land offers a constructive and controversial interpretation a re vision of the Pentecostal tradition As Pentecostalism approaches its centennial Land argues that the early years of the movement form the heart not the infancy of its spirituality and he emphasizes the crucial importance of its Wesleyan Holiness and nineteenth century revivalist restorationist roots Land's foundational study includes an account of the relationship of spirituality and theology a description and analysis of Pentecostal beliefs and practices a demonstration of how these beliefs and practices are integrated into Pentecostal affections a trinitarian definition of Pentecostal Spirituality arguing that a passion for the kingdom of God is ultimately a passion for God Himself **Latino Pentecostals in America** Gastón Espinosa, 2014-08-25 This excellent study of the Latino Pentecostal movement is an important resource for understanding the future of Christianity in North America Choice Every year an estimated 600 000 U S Latinos convert from Catholicism to Protestantism a transformation spearheaded by the Pentecostal movement and Assemblies of God Latino Assemblies of God leaders and their 2 400 churches across the nation represent a new and growing force in denominational Evangelical and presidential politics In a deeply researched social and cultural history Gastón Espinosa uncovers the roots and contemporary developments of this remarkable turn Latino Pentecostals in America traces the Latino AG back more than a century to the Azusa Street Revivals in Los Angeles and Apostolic Faith Revivals in Houston from 1906 to 1909 Espinosa describes the uphill struggles for indigenous leadership racial equality women in the ministry social and political activism and immigration reform Their

outspoken commitment to an active faith has led a new generation of leaders to combine the reconciling message of Billy Graham with the social transformation politics of Martin Luther King Jr. This eye-opening study explains why this group of working-class Latinos, once called the Silent Pentecostals, is silent no more. By giving voice to their untold story, Espinosa enriches our understanding of the diversity of Latino religion, Evangelicalism, and American culture.

A History of Religion in America Bryan Le Beau, 2017-09-18. A History of Religion in America: From the End of the Civil War to the Twenty-First Century provides comprehensive coverage of the history of religion in America from the end of the American Civil War to religion in post-9/11 America. The volume explores major religious groups in the United States and examines the following topics: The aftermath of the American Civil War; Immigration's impact on American religion; The rise of the social gospel; The fundamentalist response; Religion in Cold War America; The 60s counterculture and the backlash; Religion in Post-9/11 America. Chronologically arranged and integrating various religious developments into a coherent historical narrative, this book also contains useful chapter summaries and review questions. Designed for undergraduate religious studies and history students, A History of Religion in America provides a substantive and comprehensive introduction to the complexity of religion in American history.

The Spirit of Creation Amos Yong, 2011-05-17. Is a Pentecostal charismatic worldview defensible in light of contemporary science? In *The Spirit of Creation*, Amos Yong demonstrates that Pentecostal thought does indeed have merit in scientific contexts. What's more, he argues that Pentecostal charismatic views regarding the dynamic presence and activity of the Spirit of God and the pluralistic cosmology of many spirits have something important to add to the broad discussion now taking place at the crossroads of science and religion. Interacting with many scientific fields of study, including psychology, sociology, evolutionary science, cosmology, and more, Yong's *Spirit of Creation* demonstrates the significance of Pentecostal ideas to the ongoing dialogue between theology and science.

Protestants Alec Ryrie, 2017. On the 500th anniversary of Luther's theses, a landmark history of the revolutionary faith that shaped the modern world. Ryrie writes that his aim is to persuade you that we cannot understand the modern age without understanding the dynamic history of Protestant Christianity. To which I reply: Mission accomplished. Jon Meacham, author of *American Lion*, and Thomas Jefferson: Five hundred years ago, a stubborn German monk challenged the Pope with a radical vision of what Christianity could be. The revolution he set in motion toppled governments, upended social norms, and transformed millions of people's understanding of their relationship with God. In this dazzling history, Alec Ryrie makes the case that we owe many of the rights and freedoms we have come to take for granted, from free speech to limited government to our Protestant roots. Fired up by their faith, Protestants have embarked on courageous journeys into the unknown like many rebels and refugees who made their way to our shores. Protestants created America and defined its special brand of entrepreneurial diligence. Some turned to their bibles to justify bold acts of political opposition; others to spurn orthodoxies and insight on their God-given rights. Above all, Protestants have fought for their beliefs, establishing a tradition of principled opposition and civil

disobedience that is as alive today as it was 500 years ago In this engrossing and magisterial work Alec Ryrie makes the case that whether or not you are yourself a Protestant you live in a world shaped by Protestants **Toward an Hispanic American Pentecostal Social Ethic, with Special Reference to North Eastern United States** Eldin Villafañe,1989

Roman Catholic/Pentecostal Dialogue (1977-1982) Jerry L. Sandidge,1987 Vatican II opened the doors of the Roman Catholic Church for official theological dialogue with separated brethren The rise of the neo Pentecostal movement and charismatic renewal caused the doors of the historical Pentecostals to open toward Christians in the mainline churches This book discusses the historical precedents of the Vatican Pentecostal Dialogue and reviews the ten years Dialogue 1972 1982 with special attention given to the second five years The implications of this Dialogue for ecumenism is also discussed Volume Two contains all the documents from the second quinquennium including the 16 theological papers and final report

J.I. Packer Alister E. McGrath,1997 His books have sold over three million copies worldwide and Christianity Today readers named him one of the most influential theological writers of the 20th century Now J I Packer s life and ministry are examined in this admirable biographical work *Race and the Assemblies of God Church* Dr. Joe Newman,2007 Newman chronicles the treatment of African Americans by the largest predominantly white Pentecostal denomination in the United States The work concludes with an analysis of the 1994 event known as the Miracle of Memphis in which white Pentecostal denominations dissolved the racially segregated Pentecostal Fellowship of North America Christian *Six Ways of Being Religious* Dale S. Cannon,1996 The book proposes the hypothesis that six generic ways of being religious may be found in any large scale religious tradition such as Christianity or Buddhism or Islam or Hinduism sacred rite right action devotion shamanic mediation mystical quest and reasoned inquiry These are recurrent ways in which socially and individually devout members of these traditions take up and appropriate their stories and symbols in order to draw near to and come into right relationship with what the traditions attest to be the ultimate reality **Perspectives on Culture and Society** ,1989

Tennessee History Carroll Van West,1998 This volume presents a variety of fresh perspectives on the peoples periods and major events of Tennessee history Featuring contributions by both established historians and rising young scholars the twenty essays contained here explore new avenues of research and interpretation while considering the forces that have shaped society and culture in the Volunteer State over the past two hundred years As editor Carroll Van West points out four major themes link the chapters in this collection First this is a people s history in which the contributions and interactions of the state s diverse groups from Native Americans to Civil War generals from women to African Americans from rural reformers to the three presidents who began their careers in Tennessee create a shared narrative A second major theme concerns the ways in which economic change both in the nineteenth and twentieth centuries has affected Tennessee politics The interplay among reform race and class especially in such twentieth century movements as Progressivism and civil rights forms a third theme among the essays Finally there is the theme of war and its social impact this volume considers not only

the momentous effects of the Civil War but those of the Second World War particularly on the homefront Drawn from the pages of the Tennessee Historical Quarterly these essays offer a well balanced look at the state s vibrant past The book will prove an invaluable resource for teachers students researchers and general readers The Editor Carroll Van West who teaches at Middle Tennessee State University is senior editor of the Tennessee Historical Quarterly and editor in chief of the forthcoming Tennessee Encyclopedia of History and Culture He is the author most recently of Tennessee s Historic Landscapes The Contributors Elizabeth Fortson Arroyo Jonathan M Atkins Fred Arthur Bailey Paul K Conkin Wayne Cutler W Calvin Dickinson John R Finger Cynthia G Fleming Kenneth W Goings Dewey W Grantham Caneta S Hankins Paul Harvey Mary S Hoffschwelle Patricia Blake Howard Connie L Lester James L McDonough Paul V Murphy Robert Tracy McKenzie Patrick D Reagan Gerald L Smith Margaret Ripley Wolfe and Kathleen R Zebley Modern Christian Spirituality Bradley Hanson,1990 The thirteen essays in this collection fall into two sections The first section presents essays on the nature of spirituality and appropriate methods for its study while a second section includes historical studies of particular persons and movements within Christian spirituality Contributors include Ewert Cousins Carlos M N Eire Diogenes Allen Eric Lund and David Trickett **Pentecostal Unity** Terrence Robert Crowe,1993 This is a pioneering study in pentecostal Spirit baptism as an ecumenical power to transform Christian life and witness Crowe begins by describing the conditions that changed the Assemblies of God from a grass roots revival movement into a high profile quasi evangelical denomination He then discusses the American Catholic charismatic renewal the largest lay movement of the twentieth century Crowe argues for Spirit baptism s power to unite and galvanize such theologically divided pentecostals He envisions Spirit baptism as God s gift to unite all Christians Pentecostal Unity is the result of three years of research that included visits to pentecostal communities throughout the country and interviews with charismatic and pentecostal leaders **Global Religious Movements in Regional Context** John Wolffe,2002 Global Religious Movements in Regional Context offers a wide ranging exploration of the adaptation and diversity of religious traditions in various geographical cultural and ethnic contexts within the contemporary world The book analyses the complexities of the relationships between religion and globalization and general trends and counter trends in secularization It argues that religions that go global cannot remain unchanged by their importation into new cultures and explores the creative tension between indigenization and a sense of global identity The chapters focus on Evangelical and Pentecostal Christianity in the UK the USA Latin America and Africa as well as the world wide spread of Islam and of the Japanese derived Buddhist movement the Soka Gakkai The five textbooks and Reader that make up the Religion Today Open University Ashgate series are o From Sacred Text to Internet o Religion and Social Transformations o Perspectives on Civil Religion o Global Religious Movements in Regional Context o Belief Beyond Boundaries o Religion Today A Reader **New 20th-century Encyclopedia of Religious Knowledge** Robert G. Clouse,1991 **Historical Reflections** ,1988
