Re:Vision Aubrey Malphurs, Gordon E. Penfold, 2014-10-14 Pastors around the country continue to look for the program the book or the sermon series that will turn their plateaued or declining churches around But what if the answer to revitalizing the church was closer to home According to trusted church leadership expert Aubrey Malphurs and veteran pastor Gordon E Penfold it is They believe that pastors themselves are the key In a time when many pastors are jumping from church to church every two or three years as they search for the right fit where they can make a difference churches are suffering from a lack of sustained leadership from pastors with a viable vision for ministry In *Re Vision* Malphurs and Penfold take pastors through a process of discovery and self evaluation designed to help them re envision their role create a culture for positive change and recruit people to come alongside them as helpers and encouragers Multiple appendices offer self diagnostic tools and surveys to help pastors assess their strengths and weaknesses for more effective ministry
