Brands and Branding Rita Clifton, 2009-04-01 With contributions from leading brand experts around the world this valuable resource delineates the case for brands financial value social value etc and looks at what makes certain brands great It

covers best practices in branding and also looks at the future of brands in the age of globalization Although the balance sheet may not even put a value on it a company's brand or its portfolio of brands is its most valuable asset For well known companies it has been calculated that the brand can account for as much as 80 percent of their market value This book argues that because of this and because of the power of not for profit brands like the Red Cross or Oxfam all organisations should make the brand their central organising principle guiding every decision and every action As well as making the case for brands and examining the argument of the anti globalisation movement that brands are bullies which do harm this second edition of Brands and Branding provides an expert review of best practice in branding covering everything from brand positioning to brand protection visual and verbal identity and brand communications Lastly the third part of the book looks at trends in branding branding in Asia especially in China and India brands in a digital world and the future for brands Written by 19 experts in the field Brands and Branding sets out to provide a better understanding of the role and importance of brands as well as a wealth of insights into how one builds and sustains a successful brand

Iconic Advantage Soon Yu, Dave Birss, 2018-02-06 Modern business gurus all cry for the need to innovate to disrupt and to act like a startup It's hard to argue with that kind of thinking It's sexy and exciting But it's wrong Too many businesses become enamored by shiny new objects and end up overlooking the value locked away in their existing products Maybe your business is one of them **Iconic Advantage** is a different approach that allows companies to leverage what they already have to create lasting differentiation and deeper relationships with their customers It generates disproportionate levels of profit and protects you against market fluctuations Many of the world's most successful brands have been using it for years Now you can benefit from reaching iconic status whether you're a Fortune 500 local pizza parlor or an aspiring Unicorn startup **Soon** has an uncanny ability to take mysteries and turn them into heuristics He's done it on innovation and design and now with **Iconic Advantage** Roger Martin author of *Playing to Win* and Former Dean of the Rotman School of Business This book explains why some brands are built to last and others seem doomed to perish It's a framework that every marketer can put into play right away Adam Grant New York Times bestselling author of *Give and Take* Originals and *Option B* with Sheryl Sandberg
