49 *Facilitator's Guide to Participatory Decision-Making* Sam Kaner,2014-04-15 Unleash the transformative power of face
to face groups The third edition of this ground breaking book continues to advance its mission to support groups to do their
best thinking It demonstrates that meetings can be much more than merely an occasion for solving a problem or creating a
plan Every well facilitated meeting is also an opportunity to stretch and develop the perspectives of the individual members
thereby building the strength and capacity of the group as a whole This fully updated edition of The Facilitator s Guide to
Participatory Decision Making guides readers through the struggle and the satisfaction of putting participatory values into
practice helping them to fulfill the promise of effective group decision making With previous editions already embraced by
business and community leaders and consulting professionals around the world this new book is even more insightful and
easy to use New for this edition 60 pages of brand new skills and tools Many new case examples Major expansion and
reorganization of the advanced sections of the book New chapter Teaching A Group About Group Dynamics Doubled in size
Classic Facilitator Challenges Substantially improved Designing Realistic Agendas now three chapters with wise insightful
answers to the most vexing questions about meeting design **Governance in the Information Era** Erik W.
Johnston,2015-02-20 Policy informatics is addressing governance challenges and their consequences which span the seeming
inability of governments to solve complex problems and the disaffection of people from their governments Policy informatics
seeks approaches that enable our governance systems to address increasingly complex challenges and to meet the rising
expectations of people to be full participants in their communities This book approaches these challenges by applying a
combination of the latest American and European approaches in applying complex systems modeling crowdsourcing
participatory platforms and citizen science to explore complex governance challenges in domains that include education
environment and health Mindfulness in Organizations Jochen Reb,Paul W. B. Atkins,2015-06-30 Mindfulness techniques
having long played an important role in contemplative traditions around the world are now recognized as having the
potential to transform workplaces As interest in the role of mindfulness in organizational settings continues to increase this
timely book fills a gap in the literature by providing an overview of the latest theoretical and empirical research on workplace
mindfulness It brings together world leading scholars to explore the foundations key discussions diversity of approaches and

applications of mindfulness in organizations It acts as a catalyst for future research on the topic by suggesting research directions and stimulating organizational researchers to embark on new projects involving mindfulness Furthermore it provides valuable ideas for implementing mindfulness programs in organizations for teaching mindfulness in business contexts and for coaching with mindfulness This must read book will appeal to researchers and professionals in the fields of organizational behavior organizational psychology and employee well being *Startups and Beyond: Building Enduring Organizations* Ajay Batra,2017-12-13 Discover a powerful 5 stage approach of launching great Startups and for building successful and lasting organizations Context In a volatile and hyper competitive world Startups as well as existing enterprises are continually challenged to remain relevant They face questions such as How to achieve profitable growth What are the means to truly empathize with customers What are the best ways to develop entrepreneurial leaders How to compete on innovation Whether you are an entrepreneur or a corporate executive Startups and Beyond provides practical answers to these challenges and more Who is the book for Entrepreneurs will discover a structured roadmap for launching successful Startups and for building market traction Founders and executives at bootstrapped or venture backed enterprises will find insights to achieve profitable growth through flawless execution Executives at large corporations will unearth practices to create a culture of continuous innovation The book s unique offering At the heart of the book is the Maturity Model for Building Enduring Organizations a framework that offers a 5 level roadmap towards building successful and resilient organizations A global first this framework has been curated with best practices from Entrepreneurship Design thinking Execution and Human Capital Management from over 100 organizations worldwide How does the book work for you Through this framework discover how few startups like AirBnB and Ola scale and become dominating forces while others languish or fade into oblivion Also observe how some large enterprises like Google and General Electric continue to innovate and grow while others like Nokia and Eastman Kodak stagnate or falter in challenging times Leverage the book s well curated practices to create high performance innovative and admired organizations that endure *Circle of the 9 Muses* David Hutchens,2015-07-27 The action based guide to powerful influential organizational storytelling Circle of the 9 Muses captures the best practices of the world s most influential story consultants and knowledge workers to help you find tell and draw value from your organizational stories as impetus for action This rich toolbox is loaded with fun graphical instructions and dozens of unique replicable and facilitated processes that require no special training or expertise You ll discover your organization s hidden narrative assets use different templates and frameworks to tell the stories of your past present and future and then draw team members into rich meaning making dialogue that translates into action These activities can be exercised in endless permutations and expert advice steers you toward the right activity for a specific purpose including managing change setting strategy onboarding defining the brand engaging supporters or customers merging cultures building trust and much more Organizational storytelling is a powerful managerial tool and an essential change management

technique This is about your influence as a leader Knowing the right story to tell and how to deliver it effectively gives you and your organization enormous influence and helps connect employees to strategy by providing understanding belief and motivation in their personal contribution This book is the ultimate field guide to becoming an influential storyteller with concrete actionable guidance toward all the storytelling fundamentals Identify your organization s narrative assets Craft an elegant well constructed organizational story Capture bank and share stories with extraordinary engagement Facilitate a dialogue to draw out meaning and induce change The growing interest surrounding organizational storytelling has many change agents focused on trying to tell better stories but goals are useless without a plan of action Circle of the 9 Muses helps you weave narrative wisdom into organizational development activities engaging employees and driving change
